2015-2016 Student Handbook Overview

The Student Handbook is prepared by the Office of Student Life to assist students in the orientation process of Emmanuel College. It also contains policies, procedures, and important information about the many services, personnel, and resources available. Students should also be familiar with the information provided by organizations on campus and the academic departments, and that which is included in the College Catalog.

Although a good-faith effort is made to ensure that the information provided in the Student Handbook is accurate and current, changes may occur. The College reserves the right to make changes and update regulations, policies, and procedures as necessary. The student is responsible to know and comply with the policies, regulations, and expectations contained in the Student Handbook and agree to adhere to any necessary changes.

Notice of Nondiscrimination

As a recipient of federal funds, Emmanuel College is required to comply with Title IX of the Higher Education Amendments of 1972, 20 U.S.C. § 1681 et seq. ("Title IX"), which prohibits discrimination on the basis of sex in educational programs or activities, admission and employment. Under certain circumstances, sexual misconduct constitutes sexual discrimination prohibited by Title IX. Inquiries concerning the application of Title IX may be referred to the College’s Title IX Coordinator or to the U.S. Department of Education’s Office for Civil Rights. Emmanuel College’s Title IX Coordinator is Joann Harper, whose office is located on the second floor of the Aaron Building. Mrs. Harper may be contacted by phone at (706) 245-2805 or by email at jharper@ec.edu.

Our Mission

Emmanuel College is a Christ-centered liberal arts institution that strives to prepare students to become Christlike disciples who integrate faith, learning and living for effective careers, scholarship and service.

Institutional Motto

*Deus Nobiscum* – “God With Us”

Emmanuel College Philosophy

Emmanuel College is dedicated to intellectual, physical and spiritual growth within the context of a liberal arts education and an environment of Christian concern. We believe God is the personal Creator and Ruler of all time, space and matter, and a true understanding of all things must involve knowledge of His revealed purposes. We further believe the fullest information about God comes from the person of Jesus Christ and the relation of His redemptive works as recorded in the Holy Bible through inspiration of the Holy Spirit. All creation derives value and
significance from God revealed in Jesus Christ. Christians are able to live as redeemed, regenerated and cleansed members of society through the indwelling of the Holy Spirit.

We believe education based on these principles is the best possible method of preparing students for and involving them in lasting service to God and others – service noted for integrity, intelligence and devotion. We further believe a college experience in a Christian environment will enable students to develop lifelong spiritual and social values. We believe all truth is God’s truth, and opportunities should be provided students to integrate faith and learning and synthesize their understanding of God’s purpose in Christ with one’s view of the worth of persons and worth of the scientific method in improving life.

**Emmanuel College Core Values**

We believe in and affirm:

Christ-Centered Individuals – (The worth of every single person)
Christ-Centered Community – (The significance of the Body of Christ)
Christ-Centered Higher Education – (The integration of faith and learning)
Our Pentecostal/Evangelical Tradition – (Our Christian heritage)

**Institutional Aims**

In accordance with this overall mission and philosophical framework, Emmanuel College seeks to fulfill the following institutional aims:

1. To provide strong Christian witness to students and to the constituents who are served and to help students develop Christian values and character which are demonstrated in their lives.
2. To provide the academic programs as outlined in the *College Catalog*.
3. To provide opportunities for students to develop the general competencies necessary for earning a livelihood and functioning in society as productive citizens.
4. To provide developmental opportunities in reading, writing, and mathematics for marginally prepared students.
5. To provide opportunities for students to develop intellectual curiosity, an enduring desire for knowledge, the habit of diligent, honest inquiry and critical thinking, and a genuine interest in spiritual, intellectual, and aesthetic matters sufficient to motivate continuing self-education.

6. To provide cultural enrichment for the student body and surrounding community through scheduled courses, lectures, art exhibits, and musical performances.

7. To provide opportunities for students to participate in creative experiences through in-class and out-of-class activities.

8. To provide experiences which enhance students’ understanding of responsible citizenship, knowledge of and participation in government, and active involvement in improvement of the political system in America and the world.

9. To provide multicultural experiences for students to acquire an understanding of and an appreciation for diverse cultures and values so that students can better evaluate and appreciate their own values and communicate more effectively with people from other cultural perspectives.

10. To provide classroom and extra-class activities which promote biblical family values such as parental responsibility for the welfare and unity of the family.

11. To provide a full student-life program as resources permit which will offer spiritual, recreational, interpersonal, cultural, and leisure-time experiences that will enrich campus life, help students to develop a disciplined life, and make more meaningful use of time.

12. To provide physical activities directed toward the maintenance of physical wellness and recreation for the present and throughout life.

**Educational Goals**

1. An educated person has competence to communicate effectively through writing, speaking, reading, and listening.

2. An educated person has computational skills necessary for effective functioning in contemporary society.

3. An educated person understands how physical fitness is needed for work and leisure activity and has knowledge of the basics necessary for health and fitness for the present and future.
4. An educated person has knowledge of civilization through the study of various traditions, history, religion, government, social institutions, and world cultures.

5. An educated person is aware of key aspects of Biblical history and literature since the Bible constitutes a significant cornerstone in Western spiritual, intellectual, and literary traditions.

6. An educated person has the ability to think critically about important matters, particularly about those fundamental issues related to personal and social moral decision-making within a contemporary world in pluralism and relativism.

7. An educated person has a knowledge of the basic Biblical principles of responsible relationships and for establishing and maintaining a home.

8. An educated person has an acquaintance with the arts and a knowledge of significant literary works.

9. An educated person has an understanding of the scientific method and the findings of scientific inquiry.

10. An educated person has knowledge of one’s own personal qualities, goals, and creativeness, and the forces which have shaped these.

11. An educated person seeks personal discipline and maintains an appropriate balance between work and leisure as a productive member of society.

12. An educated person has a commitment to lifelong learning.

SENIOR MANAGEMENT

Students have open access to the member of the Senior Management of Emmanuel College. The following descriptions of the duties of these individuals may assist students in selecting the proper individual to whom they could go for assistance. They welcome student visits regarding any interest or concerns that need to be discussed.

President

The President is the chief executive officer of the College and has general supervision over its activities, properties, and expenditures. He is an ex-officio member of all faculty committees and is the liaison officer between the Emmanuel Board of Education and the faculty. The President appoints other administrative officers, subject to board approval. The President’s office
is located on the second floor of the Aaron Building.

**Executive Vice President and Chief Financial Officer**
The Executive Vice President and Chief Financial Officer is responsible for the overall business and financial operation of the College. Included in this operation is the supervision of Accounting Services, Campus Operations, and Auxiliary Services. The Executive Vice President and Chief Financial Officer’s office is located in the Lifesprings building adjacent to the post office.

**Vice President for Academic Affairs**
The Vice President of Academic Affairs assists the administration in the improvement of instruction, the coordination of instructional activities, the assigning of teaching loads, and the keeping of faculty and student personnel records. With the President, the V.P. Academic Affairs appoints faculty members and academic department chairmen. The Vice President for Academic Affairs also has the responsibility for registration of students, applications for graduation, preparation of diplomas and certificates, class schedules, and the assignment of classroom space. The Vice President for Academic Affair’s office is located on the second floor of the Aaron Building.

**Vice President for Student Life**
The Vice President for Student Life is the senior administrator of the Student Life Division at Emmanuel College and is responsible for coordinating all student services, programs and extra-curricular activities, and is responsible for all student disciplinary matters. Student services include: residence life, campus life, student senate, student activities, spiritual life, counseling and career services, intramural sports, as well as various extra-curricular activities. Assisting the Vice President for Student Life are the directors of all Student Life departments and programs. The Vice President for Student Life’s office is located in the house behind the Aaron building.

**Vice President for Enrollment and Marketing**
The Vice President for Enrollment and Marketing is a vital part of the college leadership team. Reporting to the President of Emmanuel, and serving as a member of the Senior Management
team, oversees traditional undergraduate enrollment, Financial Aid, and Marketing and Communication. The Vice President for Enrollment and Marketing’s office is located in the office complex located between Pinnacle Bank and the Franklin Springs post office.

**Vice President for Alumni and Development**

The Vice President for Alumni and Development is responsible to strengthen the mission of Emmanuel by raising funds, coordinating alumni activities, and facilitating the college’s development plan under the supervision of the President. The Vice President for Alumni and Development’s office is located in the Taylor building facing the quad.

**ALMA MATER**

_In the great, warm heart of Georgia_
_Towering o’er the hills_
_Stands Emmanuel in her splendor_
_God with her doth dwell._

_Wave her banner high to heaven_
_Loud her praises swell._
_Unto thee, our Alma Mater,_
_Hail Emmanuel._

_To the heights she calls us daily,_
_More of truth to see._
_Living symbols of Christ’s teaching,_
_We will strive to be._

_Wave her banner high to heaven_
_Loud her praises swell._
_Unto thee, our Alma Mater,_
_Hail Emmanuel!_

Tips for Freshman

1. Understand this important reality – God wants to be in the same room with you.
2. Manage your time – your success in college depends on it.
3. If you live on Wellons first floor, yell “fire in the hole” when flushing the toilet if someone is in the shower.
5. Know the policies in the Student Handbook, College Catalog, etc. These documents are considered contractual agreements.
6. Fill out surveys – it helps us make things better.
7. Appreciate the diversity we have at Emmanuel College. You will meet people from around the world. Listen and appreciate the perspectives they bring.
8. Resident students: wear shower shoes – enough said.
9. Begin thinking resume development way before your senior year.
10. Talk with your Academic Advisor – not just when it’s time to schedule classes.
11. Manage your money and remember, Uncle Sam WILL want back the money you borrowed – with interest (this applies whether you make A’s or F’s).
12. Keep your room clean. If you don’t, bugs may carry you and/or your roommate away.
13. Resident students: take your trash to the dumpster – often.
14. Know where the dumpsters are located.
15. Get involved in campus in clubs, organizations, intramurals, etc. You will likely meet your lifelong friends there.
16. Take a break from social media every now and then.
17. READ YOUR SYLLABI - OFTEN. Success in college is mainly about clear understanding of expectations followed by consistent effort.
18. Don’t be “too cool for school” and sit in the back of the classroom. Instead, sit near the front of the class and take good notes. You are, after all, paying for this.
19. The freshman 15, sophomore 20, etc. DOES exist. Eat right and get moving.
20. Choose your friends wisely. It may not always be “a good idea.”
21. Don’t lose your Student ID Card. You’ll need for our required chapel services, to eat in the
dining hall, to check books out of the Library, etc. – it cost money to replace it.
22. Learn to live with others. When things get tense, communicate calmly and clearly or seek
assistance from college personnel (Counselor, Advisor, Resident Director).
23. Don’t rely on Mom and Dad to get you out of bed. Don’t rely on Emmanuel College to get
you out of bed either.
24. Ask for help as much as possible. You are, after all, paying for this.
25. Have the best Emmanuel College experience you can have.

**CODE OF STUDENT CONDUCT**

Emmanuel College is dedicated to maintaining an environment that supports the mission, core
values, and educational goals of the institution. In order to facilitate the desired environment, the
College has adopted the Code of Student Conduct.

The Code outlines the expectations for community life, the Honor System, the commitment to
protecting student rights, and procedures for responding to conduct regulations as outlined.

**Community Life Philosophy**

The Community Life Philosophy establishes the expectation that students enroll at Emmanuel
College eager to participate as members of a Christ-centered, living, learning environment that
maintains an atmosphere conducive of responsible citizenship, wholesome attitudes, healthy
habits, and a life of service. The Emmanuel College community is committed to maintaining an
atmosphere that reflects our life in Christ and ultimately gives praise and glory to God.

The policies of Emmanuel College are determined by our Christian mission, not our culture. We
believe that scripture provides clear guidelines for human behavior. Therefore, practices that are
known to be morally wrong by Biblical teachings are not acceptable for members of the
Emmanuel College community. The College also recognizes that while the Scriptures do not
provide specific teaching regarding all social practices, they do advocate self-restraint in that
which is harmful or offensive to others.
The College has chosen to adopt certain rules that will contribute to the promotion of a Christ-centered community. The standards of Emmanuel College may not be the preference of each individual. Those who choose to join the campus community do so voluntarily and willingly take upon themselves the responsibility of becoming familiar with and adhering to College policy.

**Honor System**
The Honor System of Emmanuel College has been established in order to protect the integrity of the Institution and of its students. Emmanuel College cannot judge a person’s character but will hold accountable those who act against the Code of Student Conduct and whose behavior is inconsistent with College policy.

*We, the students of Emmanuel College, believe that honor is of the utmost importance in maintaining an appropriate atmosphere for academic, social, and spiritual growth. We believe that the following are essential in achieving honor at Emmanuel College and hope that our fellow students would be able to exemplify these statements.*

**Honesty**
- We will be honest in relationships, academics and all endeavors (Ephesians 4:15).

**Authority**
- We will honor those who have been placed in authority over us (1 Peter 2:13-14).

**Behavior**
- We will play the role of a Good Samaritan, striving to help those in need (Luke 10:30-37).

**Respect**
- We will demonstrate attitudes of respect toward others’ and their individual rights (Matthew 7:12).

**Community Living**
- The life of every Emmanuel College student should exemplify Christ according to the inspired Word of God in that it adheres to the Community Life Philosophy as stated in the Emmanuel College Code of Student Conduct (1 Timothy 4:12, Philippians 4:8).
Student Rights
Student rights at Emmanuel College include, but are not limited to, the following:

- The right to receive quality educational instruction.
- The right to inquire about institutional policy-making.
- The right to be treated with dignity and respect.
- The right to know the regulations and policies for which you are accountable.
- The right to be treated fairly if charged for violating college policies.
- The right of freedom of speech and assembly as long as such actions are conducted with dignity and respect for the property and personhood of others. These activities should be consistent with the mission and purpose of the institution.
- The right of confidentiality of your educational records according to the Family Educational Rights and Privacy Act.
- The right of access to your educational records.

CONDUCT REGULATIONS
The following actions are prohibited and constitute a violation of the Emmanuel College Code of Student Conduct.

Alcohol
Participating in or association with the purchase, possession, consumption, distribution or facilitation of alcohol whether on or off campus. (In the state of Georgia, it is illegal for persons under 21 years of age to purchase, possess, or consume alcoholic products) NOTE: There are minimum sanctions outlined for conduct regulations pertaining to alcohol.

Nonprescription and Illegal Drugs
No student may use or be in illegal possession of, deliver, use, dispense, distribute, administer, manufacture or wholesale any controlled substance, including marijuana, narcotics, hallucinogens, and other chemical analog or drug-related paraphernalia prohibited by State or Federal Drug Laws. (Federal law requires that students be informed that federal and state laws prohibit possession and/or use of illicit drugs. Emmanuel College complies with Federal and
State laws regarding illicit drugs.)

The college reserves the right to investigate any suspicious activity regarding nonprescription and illegal drugs. Investigation may include but is not limited to room and/or vehicle inspection, canine drug scan or drug screening in cases of strong suspicion of drug use. (Refusal to submit to these measures at time of request may be viewed as strong evidence which may result in suspension.)

**Weapons**

Emmanuel College conforms to Georgia statutes which address the possession of weapons on or within a school safety zone (“school safety zone” means in or on any property owned by Emmanuel College). Violation of this policy will result in appropriate action, including but not limited to expulsion, dismissal, and/or criminal prosecution, if a student or visitor to campus engages in any of the following:

1. Using, possessing, distributing manufacturing, maintaining, transporting or receiving, in a residence hall, any location on College property or at any College sponsored event, any of the following weapons as defined in Georgia Code Section 16-11-127.1 (O\-C\-G\-A 16-11-127.1):
   a. Pistol, revolver, or any weapon designed or intended to propel a missile of any kind (this includes air soft, paintball, BB or pellet guns, potato guns and other such homemade devices)

Pornography

The possession, use or distribution of any pornographic material including magazines, books, posters, photos, videos, computer games, and internet web-sites.
DISCIPLINE POLICY

Student discipline is the responsibility of the Vice President for Student Life. Students should understand that they are subject to this authority and should heed warnings issued. Decisions regarding student discipline are made at the discretion of the Vice President for Student Life and those decisions may take into account the temperament of the student/s involved, attitude, previous discipline history and other specific circumstances. Ultimately, student discipline has the end goal of benefiting the student in a positive manner and is not intended to be merely punitive.

Emmanuel College grants students the privilege of attending the institution on the condition that they accept and abide by its disciplinary policies and procedures. It is the policy of the College to internally resolve all disciplinary cases involving violations of the rules of conduct. A disciplinary decision is not subject to judicial review or collateral attack in court. By accepting the privileges of attending Emmanuel College, students agree to abide by any College disciplinary decision against them, subject only to the prescribed appeal outlined in the Student Handbook. Students waive any right to redress in court and agree and covenant not to sue the College on account of disciplinary action. Since it is impossible to define all types of prohibited behavior, the College reserves the right to further establish and interpret policies and regulations that may or may not be in writing.

COLLEGE AUTHORITY

From the time a student is accepted to the College until the date at which the student graduates, officially withdraws, is suspended or expelled, the College reserves the right to take into account any conduct on the part of the student that may disqualify him or her from initial enrollment or from continuing enrollment for successive terms. Once enrolled, students are not only accountable for their conduct on campus during the academic term but also for their conduct off-campus, during vacations and between terms. Accordingly, the violation of any law, statute or ordinance, the violation of any college rules or other conduct that reflects discredit upon the institution is subject to review and appropriate disciplinary action regardless of whether it occurs off-campus, during vacations or between terms.
DISCIPLINARY PROCEDURES

Alleged violations of the Emmanuel College Code of Student Conduct should be reported to the Vice President for Student Life. Alleged violations may be filed as a complaint, referral, or through a police report. The Vice President for Student Life reviews alleged violations to determine if an investigation is warranted. The investigation may include but is not limited to interviewing those involved in the alleged violation, witnesses of the violation, college employees, reviewing incident reports, requesting law enforcement records, and requesting information from members outside of the campus community. The Vice President for Student Life has the choice to handle violations in one of several ways:

- Refer the violation to the appropriate Emmanuel College employee.
- Address the violation himself and assign whatever corrective and/or punitive measures which may be appropriate.
- Refer the violation to the Student Conduct Committee.

DISCIPLINARY SANCTIONS

The following sanctions may be imposed against a student for the violation of the Emmanuel College Code of Student Conduct by the Vice President for Student Life, his designee, and the Student Conduct Committee. This list is neither exhaustive nor in order of severity and may be added to and/or modified to meet the circumstances of a violation.

1. Expulsion
   A permanent separation of the student’s relationship with the College.

2. Suspension
   A temporary separation of the student’s relationship with the College. The period of time and any requirements that must be satisfied prior to readmission may be specified by the appropriate college authority imposing suspension.

   *Suspension and expulsion are considered a mandatory withdrawal. The student is responsible for completing the withdrawal procedure as outlined on the form supplied by the Registrar (the*
form includes securing signatures from the Registrar, Financial Aid office, and the Student Accounts office, among others), unless otherwise directed by the Vice President for Student Life. Refunds, if any, will be made in accordance with withdrawal guidelines and the REFUND POLICY as printed in the college catalog. A grade of “W” or “F” will be assigned at the sole discretion of the Vice President for Student Life in each of the student’s courses, and no credit is earned. Students who are suspended from Emmanuel College for any length of time should be aware that this action may impact tuition costs and fees (suspension/expulsion does not forgive financial obligations), Student Financial Aid, Athletic participation, etc. When a suspension or expulsion occurs, a student must leave the campus immediately unless otherwise instructed by the Vice President for Student Life.

3. Minimum Sanctions for Alcohol
Students found in violation, through the College’s Discipline process, of Alcohol related misconduct (see Conduct Regulations) will receive:

1st violation – Possession (not consumption)

- Alcohol awareness class (at students own expense)
- Probation for six (6) months from the date of resolution. Probation may include loss of privileges were applicable (Athletic game suspension, Intramurals, Short Term Missions, etc.)
- Written parent notification

1st violation – Consumption

- Alcohol awareness class (at students own expense if applicable)
- Probation for twelve (12) months from the date of resolution
  - Probation may include loss of privileges were applicable (Athletic game suspension, Intramurals, Short Term Missions, etc.)
- Written parent notification

2nd violation - For possession and/or consumption

- May result in suspension from institution for current semester and 1 subsequent
semester (does not include summer school).

- Written parent notification

4. **Disciplinary Probation**
A student may be prohibited from participating in activities which represent the college (e.g. athletic teams, student ministry teams, etc.) and in extracurricular activities (e.g. intramural and student organizations and clubs). Students placed on probation may lose all or a portion of awarded scholarships. Violation of school policy pertaining to conduct regulations while on probation may result in more severe disciplinary sanctions, to include suspension or expulsion from the institution.

5. **Reprimand**
An official written notification that a student’s behavior is in violation of College regulations or standards and clarifies expected behavior in the future.

6. **Mandatory Community Work**
Required service to a particular person, or group of persons, within the College community or to members of the community served by the College. Work hours may take the form of educational activities, community service, or manual labor. Students who receive Community Work hours will be assigned a Community Work Supervisor (CWS). The CWS will notify the student of the time, date, and the work location the student is to report. Reporting for Community Work is mandatory and will take precedent over non-academic activities. Failure to report for Community Work is a serious offense and could result in suspension.

7. **Housing Restrictions**
Includes potential loss of housing privileges and/or relocation of housing assignment.

8. **Counseling**
Students may be required to receive counseling from an Emmanuel College counselor, local provider, or community support group (depending on the situation).
9. Assessing fines

Students may be fined for damages, both intentional and accidental. The following is a list of the monetary fines that may be assessed. This is not an exhaustive list, and the fines may be increased, reduced, or coupled with further disciplinary action as the circumstances surrounding each violation are evaluated. If fines are not paid by the end of the semester, they will be charged to the student’s bill. When charged to a student’s bill, the fine will be increased as follows to cover administrative costs: the original amount plus a 25% surcharge or the original amount plus $10.00, whichever is greater. A fine cannot be removed from a student’s bill without approval from the Vice President for Finance.

- Absence from mandatory meetings $10.00
- Items taken out of cafeteria $10.00/per
- Items in residence hallways (fire-code violations) $10.00/per
- Showing unlicensed/non-approved Videos in public areas $20.00
- Throwing food $25.00
- Failure to complete end of year check out form $50.00
- Loss of room key/failure to turn key in $100.00
- Pets in the residence hall or any other building $25.00
- Reckless operation of vehicle (such as driving on grassy areas, sidewalks, or with someone on the exterior of vehicle) $25.00
- Burning candles, incense or other open flames (fire-code violation) $50.00
- Use of prohibited items in residence hall rooms (hot plates/hot/pots, toaster ovens, oil popcorn poppers, halogen lamps, any appliances with exposed coils) $50.00
- Roof walking or wall climbing on any campus building or awning or structure $50.00
- Unauthorized possession or duplication of keys $100.00
- Possession and/or use of firearms, fireworks, weapons $350.00
- Unauthorized entry or exit $350.00
- Tampering with fire alarms, smoke detectors, emergency
doors, fire extinguishers, emergency exit lights, security alarms, secured doors/windows, security vehicles, etc. $100.00

- Vandalism Restitution

10. Restriction(s)
This may include campusing, early curfew, changes in housing location, etc.

11. Restitution
This may include making monetary restitution to party suffering property loss or damage.

12. Educational Sanctions
Projects or assignments designed to educate a student in connection with the effect of his/her behavior. Educational assignments include, but are not limited to, papers, letters of apology, attending educational workshops, and/or alcohol education.

STUDENT CONDUCT COMMITTEE
The primary role of the Student Conduct Committee is to carry out a hearing when an investigation is needed of incidents that are more serious in nature that may result in disciplinary probation or the possibility of suspension or expulsion. The committee is made up of two faculty members, Residence Life staff, and the Student Senate President (the Vice-President will serve in the President’s absence).

The Director of Campus Life will serve as Chair in a non-voting capacity unless there is tie vote. Failure to appear before the Student Conduct Committee will result in disciplinary action as determined by the Vice President for Student Life.

The Student Conduct Committee does not handle alleged violations of the College’s Academic Integrity policies. All matters concerning violations of the academic honor code should be referred to the Vice President for Academic Affairs. The College reserves the right to utilize the Student Conduct Committee at any time.
Hearing Procedures
Student Conduct Hearings are not trials, and they are not constrained by technical rules of procedure, evidence, or judicial formality. They are designed to encourage open discussion among those involved that promotes the hearing panel’s understanding of the facts, those involved, the circumstances under which the incident occurred, the nature of the conduct, and the attitudes and the experiences of those involved. Parents or Legal counsel is not allowed in the proceedings.

The Director of Campus Life will initiate the process of the hearings. Each student involved should be advised in writing of the time and place of the hearing, as well as the nature of the charges against him/her. The main objective of the Student Conduct Committee is to determine guilt or innocence and to assign the appropriate consequences. In all disciplinary circumstances, the student should be informed that the development of self and personal integrity are primary goals, and the corrective measures are intended to help each student become a responsible and contributing member of the Emmanuel College community.

The decision of the Student Conduct Committee will be forwarded to the Vice President for Student Life. The involved student(s) will be notified within twenty-four (24) hours of decisions of the committee. If a suspension or expulsion occurs, he/she will also be informed of their right to appeal. A written appeal must be submitted to the Vice President for Student Life’s office within twenty-four (24) hours of the original decision.

The appeal, unless extraordinary circumstances exist, will be heard within five (5) working days from receipt of the written request for an appeal. Hearings shall be conducted in private in order to protect the confidential nature of the proceedings. Omitting pertinent information or giving false information constitutes grounds for student suspension.

Dismissal Appeals
The Dismissal Appeals Committee will hear students who wish to appeal a dismissal made by the Student Conduct Committee. The committee will include three faculty members, two staff
members, and a member at large from the student body. This committee will examine the dismissal of the student and three issues will examine:

1. Were Emmanuel College policies followed as outlined in the Student Handbook?
2. Is there sufficient evidence to support dismissal?
3. Does the infraction warrant dismissal?

If the Dismissal Appeals Committee believes that these issues have been satisfied, then the Committee will vote to affirm the suspension. If the Committee does not believe all of these issues are resolved, the student will be referred back to the Student Conduct Committee for disciplinary action other than dismissal. The decision of the Dismissal Appeals Committee will be final.

**Parent Notification**

The college will reserve the right to notify parents at any time regarding violation of conduct regulations. In accordance with the Higher Education Amendments of 1998 to the Family Educational Rights and Privacy Act (FERPA) of 1974, Emmanuel College may notify a parent or legal guardian of a student under 21 years of age when the student has been found guilty through disciplinary channels of violating any Emmanuel College rule regarding alcohol or illegal drugs. Decisions to notify parents will be based on the severity of the incident and any prior incidents involving alcohol or drugs.

**Student Disciplinary Records**

Student disciplinary records, with the exception of those records involving a suspension and/or expulsion, will be destroyed seven years after the date a student graduated or was last enrolled.

**Involuntary Withdrawal**

Emmanuel College may require at any time the withdrawal of any student whose conduct or academic standing it regards as undesirable, either for the student’s sake or for the college’s.

If the conduct of a student is unintentional but suggests that they may be a harm to self or others, or does not comply with the order or operation of the college, the matter will be referred to the
Vice President for Student Life. The Vice President for Student Life will consult with health-care providers, counselors, professors, and other individuals as appropriate. The Vice President for Student Life may require interim, temporary, or permanent withdrawal of such student.

Students, who leave the campus under the above conditions, either voluntary or involuntary, may be readmitted to the college only after being cleared by the Vice President for Student Life. Readmission of the student may take into account the student’s demonstrating a period of stable behavior outside the college and may require a statement from a physician, psychologist, or other qualified professionals that the student is ready to return and cope successfully with college life. Follow-up services or special conditions may be required as part of the readmission decision.

FUND-RAISING and SOLICITATION ON CAMPUS

No soliciting of goods or services is permitted on campus or in any college-controlled housing without permission from the Senior Management. Students are to report to their Resident Assistant, Resident Coordinator, or Resident Area Director any door-to-door solicitation from off-campus sources. Members of the Emmanuel College community who are involved in off- or on-campus fund-raising must receive permission from the Senior Management. Fund-raising request forms may be obtained in the Aaron Building, Room 103. Private vendors of any kind will be prohibited from marketing any items on campus.

RESOLVING STUDENT GRIEVANCES

Students who have complaints or grievances shall have the following guidelines at their disposal for resolving them:

1. A grievance or complaint regarding student life such as residence living, student relationships or other non-academic issues shall be submitted by the student in writing to the person immediately responsible for that area of campus life.
2. Residence grievances shall be submitted to the Director of Residence Life.
3. Student relationship grievances should be submitted to the Director of Campus Life.
4. Counseling grievances are submitted to the Director of Counseling and Career Services.
5. Complaints of a religious nature should be addressed to the Director of Spiritual Life/Campus Pastor.

6. Housing grievances should be submitted to the Director of Residence Life.

If a satisfactory resolution cannot be reached at this level, then the grievance shall be presented in writing to the Vice President for Student Life with a written explanation of what actions have taken to this point. Both the student and the person dealing with the grievance shall request an audience with the Vice President for Student Life. If a resolution is not reached at this level, the grievance shall be submitted in writing with an explanation of the actions to this point to the President. No further appeals may be made.

1. A grievance regarding financial difficulties shall be reported directly to the Accounting Services. If no resolution is achieved, the grievance may be made in writing to the Vice President for Finance who shall bring it before the Senior Management.

2. A grievance that involves a faculty member should be addressed first with that faculty member. Such grievances can include (but are not limited to) the following:

- Complaint over how the faculty member is treating the student personally
- Grade matters
- Assignment matters
- Academic plagiarism issues
- Etc.

If satisfaction is not achieved there, then the grievance should be addressed (either verbally or in writing) with the faculty member’s direct supervisor (usually the department chair and/or dean, and in the case of deans, the Vice President for Academic Affairs). A meeting shall then be arranged by the faculty member’s supervisor to include the student, faculty member, and faculty member supervisor.

If satisfaction is not achieved at that level, the grievance is presented in writing to the Vice President of Academic Affairs, who shall then arrange a meeting with the student, faculty member, and if necessary, the faculty member’s supervisor. With the exception of grade appeals, the decision of the Vice President for Academic Affairs is final.
In the case of grade appeals, a more detailed process is outlined in the Academic Policies section of the Emmanuel College Catalog as to how these appeals will be handled. Students should familiarize themselves with this section of the Catalog.

3. A grievance involving Financial Aid shall be presented directly to the Financial Aid Office.

4. Intercollegiate Athletics grievances shall be presented to the coach or personnel in charge of this segment of athletics. If no resolution is reached, an appeal is made in writing to the Athletics Director. If resolution is not reached at this level, an appeal may be made to the Vice President for Finance. The decision of the Vice President for Finance is final.

**STUDENT REGULATIONS COMMITTEE**

As an individual or institution grows, changes are often needed to facilitate that growth. Many of the regulations at Emmanuel College are clearly stated in the Bible as standards for all persons. These will not change. However, other regulations are open to discussion and are within the realm of possible change or revision.

The Student Regulations Committee is the medium through which students may express themselves regarding College regulations. The committee is composed of four students, two faculty members, two Resident Area Directors and the Vice President for Student Life. The committee meets annually to consider regulations for the following year. The committee does not have the authority to actually change regulations but may recommend changes and revisions to the Senior Management, which is the body by whom these decisions are finalized.

**HEALTH AWARENESS**

Health information is available to students including resources on nutrition, exercise, stress management, disease prevention and self-care information at the Student Life Office. Information about and directions to fulltime, off campus emergency health facilities are located in the residence hall lobbies as well as strategic locations throughout campus.

The College requires each student to have personal health insurance coverage. Most students will
have coverage through family insurance policies. For those students who do not have health insurance coverage, a low-cost policy is available through the College. Each student is personally responsible for medical bills incurred as a result of injury or illness. Emmanuel College is not liable for accidents or injuries occurring anywhere on the College campus.

COMMUNICABLE DISEASES
Emmanuel College seeks to maintain an environment that reasonably protects the rights, health, and safety of all members of the campus community. Compelling evidence suggests that most diseases are not transmitted through casual contact, and reasonable precaution against the transmission of diseases may be possible within a community. Therefore, Emmanuel College likewise seeks to respect the rights and reasonable needs of individuals who have a communicable disease.

In recognizing the delicate balance, individuals with a communicable disease are encouraged to report their condition to the Vice President for Student Life so appropriate health and protective measures can be implemented. Emmanuel College, through its normal administrative responsibilities, will consider each individual on a case-by-case basis.

Individuals with a communicable disease should properly govern their behavior to protect other members of the campus community. Any individual with a communicable disease, who exposes any other member of the Emmanuel College community to a communicable disease, both through deliberate action or carelessness, will be held responsible and will be handled in an appropriate manner.

Students should use the following as guidelines to ensure personal health and safety:

1. Practice good hygiene by:
   a. Washing your hands thoroughly and often, especially after using the toilet, coughing or blowing your nose.
   b. Avoid kissing or sharing a drinking glass, eating utensil, lipstick, or other such items with sick people or with others when you are sick.
c. Do not share personal items such as uniforms, personal protective equipment, clothing, towels, washcloths or razors that may have had contact with the infected wound or bandage.

2. Monitor symptoms of influenza including:
   - fever (usually high) and headache
   - extreme tiredness, cough and sore throat
   - runny or stuffy nose
   - muscle aches, nausea, vomiting, and diarrhea, (much more common among children than adults).

3. Monitor symptoms of serious illness like meningitis. Meningitis infection is characterized by a sudden onset of fever, headache, and stiff neck. It is often accompanied by other symptoms, such as
   - Nausea
   - Vomiting
   - Photophobia (sensitivity to light)
   - Altered mental status

**STUDENT I.D. CARDS**

During registration activities each semester, identification cards are issued to all new enrollees and transfer students. Every student attending Emmanuel College is required to have a student identification card. The photo for the ID card must be taken by the College. No supplemental and/or facetious photos are allowed ID cards should not be cut or altered in any way. If the photo section of the ID card is cut, removed, or damaged, the student will be required to get a replacement ID card at a cost of $10.00.

ID cards are activated each semester when students finalize their account with the Accounting Services. The student ID card serves as a meal ticket, library card, and as free admission to EC athletic events. It is also activated to serve as a student’s access card for his/her residence hall. The ID card is further used to post attendance at Wednesday night chapels and Friday
convocations as well as CAP events. Students should not cut or deface their ID cards. Students without facial pictures on their ID card will be sent to the Campus Safety Office for a replacement.

The replacement cost of an ID card is $10.00; replacement of damaged cards is $5.00. Students are discouraged from loaning their cards to anyone. If a card is lost, it should be replaced as soon as possible. In the event that scanning problems occur, a replacement card may be issued at no charge.

**STUDENT ROLE: INSTITUTION DECISION-MAKING**

Students have the opportunity to participate in institutional decision-making through the voice of the Student Senate. Student Senate officers, who are elected by the student body, are scheduled to meet with the Senior Management of the college once each semester and may request a meeting whenever they feel there is a need.

The Student Senate President is a member of the Strategic Planning Committee. Five students serve on the Rules and Regulations Committee. The Faculty/Student Multicultural Awareness Committee has five students who, along with selected members of the faculty, staff and administration, participate in recommending policies for the college.

The Vice President for Student Life, as well as all members of the Senior Management, has an “open door policy” through which students are encouraged to visit if they feel they are not being heard through other channels.

**SPIRITUAL LIFE**

Campus spiritual life at Emmanuel College affords students many spiritual experiences. Since Emmanuel College is concerned with the total development of the person, activities are provided to complement the classroom experience. It is recognized that just as there are some requirements for intellectual growth and development, there are others for the development of spiritual maturity. These will develop a life pattern which reflects a growing Christian faith and a lifelong pursuit of God.
Each student is urged to set aside a daily quiet time with God. A few minutes spent in prayer, reading God’s Word and meditating upon it, may very well be the most important part of the day. Students are also encouraged to get involved in the spiritual activities on campus. This involvement will allow one not only to be ministered to, but will also give one an opportunity to use one’s gifts and talents in ministry to others.

Some of the greatest spiritual opportunities of life are just ahead. Students are encouraged to take advantage of each one and to view spiritual activities as opportunities for learning and growth.

**Pastoral Care**

The Campus Pastor coordinates all spiritual life and religious events on campus and is available to provide pastoral care and counseling to the campus community. This position also oversees all student ministry groups as well as the Christian formation and discipleship programs of the college and serves as the coordinator of the Short-Term Missions program.

**Student Ministries**

Student Ministries consists of teams of students who selflessly give of their time and talents to share the Gospel through various means including drama, interpretive dance, puppets, mime, children’s ministry, praise and worship, street drama, music, step teams, and more. Many of these teams travel to minister during the summer months. These teams are accountable to the Campus Pastor. Opportunities to join Emmanuel College student ministries are posted in the fall.

**Chaplains**

Christian community and accountability are vital to spiritual growth and maturity. To ensure that each student is given proper pastoral care, student chaplains are carefully selected each year to serve our student population. They provide prayer support and encouragement in the residence halls, in our services and in everyday life. They are an extension of the ministry of the Campus Pastor.
WORSHIP SERVICES and ATTENDANCE POLICY

Emmanuel College is firmly committed to the spiritual growth and development of its students as an essential part of a Christian liberal arts education. In that context corporate worship services, as well as a variety of Christian formation experiences, are offered to all students.

These services are considered to be an integral and indispensable part of the Emmanuel College experience. Corporate worship is a place to wait on God, to minister to the Lord through worship and praise, and to hear from God through various means of ministry. Speakers representing various denominations and areas of Christian ministry are invited to minister in many of these services.

Certain weekends have been set aside as focused times of spiritual renewal. They are:

Alpha Weekend (Closed Weekend)
Each school year begins with an emphasis on the spiritual needs and concerns of the student body. Great effort is made to stimulate the entire college community to respond to the truths of the Gospel and to make the commitments necessary to best serve in the Kingdom of God. Students are encouraged to take advantage of this event and thus begin the academic year with a mind spiritually prepared for the challenges ahead.

New Beginnings (Closed Weekend)
In conjunction with the start of a new year each January, the College sponsors an event called New Beginnings. Pertinent material is presented for college young people regarding spiritual growth and development. New Beginnings usually occurs during the first full weekend of the Spring Semester.

(See the Residence Life section for details on Closed Weekends)

Convocation and Chapel
Attendance at weekly services (Tuesday Convocation/Wednesday Chapel) is viewed as an
integral part of the program of Christian formation and discipleship as well as community life at Emmanuel College. For this reason attendance is mandatory.

The Vice President for Student Life or his designee will have the right notify students of excessive misses and impose the appropriate disciplinary sanctions.

**Continued failure to comply with chapel or convocation attendance policies may result in suspension from the college.**

- **Resident students may not miss more than four services of Chapel or four Convocations in one semester.**
- **Commuting students may not miss more than four Convocation services in one semester.**

Although commuters are not required to attend night service, they are welcome to attend to help fully develop the Emmanuel College community. Students can easily check their chapel attendance by accessing their student record via [https://cris.ec.edu/login/](https://cris.ec.edu/login/).

Students who scan in for a service and then leave will be subject to disciplinary action as determined by the Vice-President for Student Life or his designee. All students who are enrolled in twelve or more hours must attend Convocation each week. If a student’s enrollment drops below 12 semester hours, it is their responsibility to notify Student Life regarding their attendance status.

- When a student exceeds three absences, he/she may be notified.
- When a student exceeds four absences, he/she will receive a notification outlining the appropriate disciplinary actions including but not limited to:

1. **Convocation/Chapel Probation** – a student placed on Convocation/Chapel Probation may lose privileges in participating in activities which represent the college (e.g. athletic teams, student ministry teams, Singers, etc.) and extracurricular activities (intramural sports, student organizations, short-term
missions).

2. **Mandatory Community Work** – required service to a particular person, or group of persons, within the College community or to members of the community served by the College. Work hours may take the form of educational activities, community service, or manual labor.

3. **Restrictions** – such as campusing, early curfew, changes in housing location, etc.

4. **Research Essays**

5. **Accountability Workshops**

6. **Combined Sanctions** – a combination of disciplinary consequences.

**Distracting Behavior**

During the worship service, students should demonstrate courtesy and respect for his/her peers and the speaker by not talking, studying, sleeping, slouching, texting, or engaging in any other distracting behavior. Members of the Office of Student Life will confront those students who are engaging in this type of behavior and the appropriate disciplinary sanctions may be imposed.

**Sunday Worship Services**

Resident students at Emmanuel College come from a variety of denominations and backgrounds. Since continued participation in a local congregation of the body of Christ is a vital part of the on-going spiritual growth of students, resident students are expected to regularly attend a local church. Students are welcome to attend Franklin Springs PH Church (adjacent to campus) or another church of their choosing.

**SHORT-TERM MISSIONS**

Each year, students are given the opportunity to experience the actual front lines of ministry on the mission field. Most trips are scheduled for the summer months. The length of trips from time of departure to return varies but is generally one to two weeks.

Oversight of the Summer Missions program is provided by the Campus Pastor in conjunction with the Short-Term Missions Committee. A qualified Emmanuel College faculty or staff member or another qualified and approved person, who is carefully selected by the Short-Term
Missions Committee, leads each mission’s team. Applications and information packets will be made available at Convocation and Chapel services during September and October each year. All trips must be approved by the Short-Term Missions Committee in order to be an official Emmanuel College mission trip.

**Short-Term Missions Fundraising**
Students are not to solicit funds for missions unless the Short-Term Missions Committee approves their trip. All funds raised for missions must be deposited in the student’s name at the Emmanuel College Accounting Services and are non-refundable. Checks should be made payable to “Emmanuel College Summer Missions.” Funds received for this purpose cannot be used for personal college accounts or personal expenses. A contribution receipt can be issued for income tax purposes if the contributor requests one. All gifts must be used for missions.

**SERVICE LEARNING**
Emmanuel College is dedicated to developing Christ-like disciples who live a life of service. Students who engage in service, whether on or off campus, will be positioned to grow personally, develop spiritually, and experience the benefits of working with faculty, staff and fellow students. The Service Learning Coordinator is responsible for developing service learning initiatives and promoting campus and community involvement through those initiatives. All members of the campus community are encouraged to seek out opportunities to serve. Information about service learning opportunities can be found at the Student Life Office.

**INTRAMURALS**
Each semester a program of intramural athletic activities is provided. Teams are selected by draft and include all students who wish to participate. Events are scheduled in keeping with the season. Sports include flag football, basketball, volleyball, softball, ultimate frisbee, and others. Sign-ups are announced via e-mail and campus bulletin boards.

In addition to organized sports activities, there are opportunities for informal recreation such as sand volleyball, tennis, swimming, weight lifting, racquetball, etc. Students are encouraged to
include some physical activity in their schedules to help maintain healthy bodies and provide for some mental relaxation. Participation in intramural sports activities also provides opportunities for growth in social relationships, community living and maturity in Christ. Oversight and direction of the Intramural Athletics program is provided by the Intramurals Coordinator.

**CAMPUS SERVICES**

**Athletic Center**

The Athletic Center provides an area for a variety of fitness, wellness, leisure and recreational activities and includes the following:

- Cardiovascular machines
- Seasonal intramural programs for men and women
- Free weights
- Nautilus weight machines
- A variety of fitness classes
- Bowling alley
- Swimming pool
- Walking/jogging track
- Café with Papa John’s Pizza

When using this facility, students and visitors are asked to be considerate of others and to take proper care of all equipment and furniture.

**Bookstore**

The college bookstore offers new and used texts for all college courses. Books are to be purchased each semester prior to the start of classes. Bookstore transactions are separate from student account transactions in the Accounting Services office.

**Accounting Services**

Located on the second floor of the Aaron Building, Accounting services is responsible for all college accounting and record keeping. Included are financial transactions of the College, student accounts, and receipting. Supervision includes maintaining systematic reports and collections of student accounts. All individual campus clubs and campus organizations conduct their financial activities through this office.
Counseling and Career Services
Located in the Student Life office (small house behind Aaron building), Counseling services seeks to minister to the whole person through a Christ-centered approach. Emmanuel does not provide long-term therapeutic service; therefore, when such care is required, a referral system exists that directs the student to competent professional counselors in the area. The Director of Counseling coordinates this process as well as provides short-term counseling.

The mission of Emmanuel College Career Services is to assist students through all phases of their career progress through developing and implementing programs that increase the students’ knowledge of career choice, planning for career, personal responsibility, and increase job search skills and provide opportunities to link students with potential employers. The office of the Director of Counseling and Career Service is located in the Student Life building. Appointments can be scheduled by contacting Joann Harper at jharper@ec.edu or dialing her ext. 2881.

College Work Study
Located on the second floor of the Aaron building, the office of Human Resources coordinates the work-study program. Most students who work on campus are employed through the Federal College Work-Study Program. All work-study employees are expected to perform his/her assigned tasks efficiently and responsibly. Failure to do so could result in being released from one’s job assignment and subsequent loss of that portion of the student’s financial aid package. All work-study funds must be earned through work. No exceptions are made to this federal policy.

Local businesses sometimes seek to hire Emmanuel students. The Office of Counseling and Career Services posts employment notices from local businesses on the “Job Board” in the first floor of the Aaron Building. Work must not conflict with classes or other academic requirements.

Employment assistance is also provided to upcoming graduates through resume writing, career workshops, a career fair and individual tutelage. See our Office of Counseling and Career
Services for more information.

**Disability Services**
Located in the Student Life office (small house behind Aaron building), Counseling services coordinates disability services. It is the policy of Emmanuel College to provide reasonable accommodations for qualified individuals with disabilities. Federal law (Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990) established the rights of individuals with disabilities. Emmanuel College shall comply with all applicable federal laws and regulations regarding reasonable accommodations needed to provide equal opportunity to qualified individuals with disabilities.

**Financial Aid**
Located next to the Franklin Springs Post Office, the Financial Aid Office coordinates loans and grants for students who are unable to meet college costs without assistance. Inquiries should be made in the Financial Aid Office where descriptive literature and application forms are available. Prompt/early completion of Financial Aid applications will assist in this process.

**Music Lessons**
Students who are not enrolled in the Music Curriculum but who would like to take music lessons at the College may register for these as space permits. Instruction is usually available in piano, voice, and organ. Additional fees are required to cover the costs of these lessons as well as for the rehearsal instruments and rooms. Inquiries regarding music lessons may be directed to the Music Department.

**Campus Safety**
See the Campus Safety website.

**CAMPUS LIFE**
The office of Campus Life is located in the Student Life building (small house behind Aaron building). Campus Life at Emmanuel College includes new student orientation, campus clubs and organizations, commuter services, and student activities. Both resident and commuter
students are an integral part of the livelihood of our campus community. Therefore, special initiatives and programs are developed for both. Commuter services are geared toward meeting the needs of commuters by streamlining campus information, developing commuter specific programs, and providing sufficient commons areas across campus. The Director of Campus Life is responsible for implementing the overall campus life program.

CLUBS and ORGANIZATIONS

Student Organizations

Whether you are a resident or commuter, a traditional student or returning back to school after a few years off, student organizations can be an important part of your college experience. Helping you to connect to students and professors with similar interests, student organizations provide out of classroom experiences that will enhance your studies and build relationships.

Student organizations are a link between academics and life outside of the classroom. It is an opportunity to collaborate with faculty and staff to plan and implement programs to develop campus life. The purpose of student organizations at Emmanuel College is to:

- Participate in co-curricular activities
- Develop leadership abilities
- Develop healthy relationships with others
- Formulate ways to gain a better understanding of God, self, and others
- Work with College representatives to understand policies and procedures
- Design and implement opportunities to enhance campus life

The guidelines for clubs and organizations can be found on the Emmanuel College website under the Student Life tab.

ACADEMIC INTEGRITY POLICY

Introduction

Honesty, trust, and integrity are fundamental to all human relations. This statement on academic integrity—developed by Emmanuel College students, staff, and faculty—shows the essential place of integrity in our academic pursuits, our personal character, and our lives together in a
college community. Formal academic disciplines and interpersonal relationships can only function in an atmosphere of honesty, trust, and integrity. This principle emerges from the college's core values: the emphasis on being Christ-centered with respect to the integration of faith and learning, the worth of individuals and the community, and our Pentecostal-Evangelical heritage.

Emmanuel College is committed to seeking the highest standards of academic honesty and integrity, not only in the academic community, but in all areas of our lives. While the principles, polices, and procedures described below focus on academic situations, the college expects that these same principles will inform all behavior. Every college member must remain aware that he or she is a representative of Emmanuel College, whether on or off campus, and must therefore behave with honesty and integrity so as to bring respect to himself or herself and the college.

Every student who matriculates at Emmanuel College agrees to abide by the principles set forth in the following Statement of Academic Integrity

**Statement of Academic Integrity**

Personal integrity in scholarship and citizenship is the end product of any college Honor Code. With this goal, a student of Emmanuel College agrees to exemplify high academic standards and Christian commitment as reflected in the following statements:

- I agree to act in accordance with the philosophy and mission statement of the college. I agree to exhibit academic integrity in all that I say and write; therefore, I pledge to accept and abide by the definition of plagiarism defined within this Statement of Academic Integrity.
- I agree that I will not misrepresent my work nor submit any unauthorized work.
- I agree to behave in a manner that demonstrates concern for the academic freedoms of all members of the community; therefore, I pledge to protect the intellectual property of others and the academic integrity of Emmanuel College.

**Definition of Plagiarism**

"Plagiarism" is defined in the *Modern Language Association Handbook for Writers of Research Papers* (6th ed.) as "using another person's ideas, information, or expressions without
acknowledging that person's work" and/or "passing off another person's ideas, information, or expressions as your own." As scholars who are part of a community of Christian intellectual integrity, it is our duty to acknowledge properly the ideas and work of others. Failure to do so, either intentionally or unintentionally constitutes plagiarism. Emmanuel College acknowledges the following forms of plagiarism:

A. BREECHING ACADEMIC TRUST

1) Turning in someone else's work, in whole or in part, as one's own. Turning one’s own work in as someone else’s (including but not limited to forging a doctor’s or parent’s note). This is blatantly dishonest, disrespectful, and unbecoming of an Emmanuel student and could result in expulsion.

2) Submission of the same work to multiple instructors unless prior approval of both instructors has been obtained. This form of self-plagiarism includes using an old paper or report from earlier educational experiences.

3) Cheating by using, or attempting to use, unauthorized information or materials on tests and other assignments.

B. IMPROPER DOCUMENTATION

1) Paraphrasing or restating someone else's ideas without proper and clear documentation. Rewording it, even substantially, does not make it one's own. Original ideas, no matter the wording, remain the intellectual property of the person who created them. Additionally, paraphrases are complete rewordings of the original. If the paraphrase too closely resembles the original, it borders on plagiarism. The original must be reworded completely or directly quoted.

2) Directly quoting someone else's speech or writing without putting that material in quotation marks. Even if one attributes the material, if it is also that person's exact wording, one must indicate so with quotation marks.

3) Improper documentation, whether intended or not, is a form of plagiarism and shall be recorded in the VPAA’s permanent confidential file as a violation of academic integrity, pending an investigation into potential disciplinary action. If the investigation finds that no act of plagiarism has occurred, then the reference in the
VPAA’s permanent file will be deleted. While the action is pending, a judgment shall be reached between the instructor and the VPAA or his/her designee as to whether the violation merits disciplinary action other than a grade markdown for not following stylistic guidelines. The source must be attributed in an appropriate scholarly documentation style. In addition, the boundaries between what you wrote and what was written by others must be clear.

C. DISHONEST ACADEMIC ASSISTANCE

1) Allowing another student to turn in one's work, in whole or in part, for his or her own.
2) Aiding others to cheat by allowing them to use, or try to use, one's information on tests and other assignments.
3) Using unauthorized sources of information on a test or assignment.
4) Revealing or discussing the contents of a previously taken exam with a student who is scheduled to take the same exam.
5) Negligently allowing others to plagiarize or cheat. This includes information or material for exams or other assignments. It is the duty of every student to safeguard and promote academic integrity.

Examples of cheating include, but are not limited to:

1. Representing another person's work, or significant portion thereof, from any source, as one's own.
2. Representing one’s own writing as the work of someone else (e.g., forging notes, falsifying official documents).
3. Cheating, in any form, on an exam or other work of someone else (e.g., forging notes, falsifying official documents).assignments.
4. Intentionally assisting others to cheat in any form
5. Attempting to buy, borrow, or steal another person’s work with the intention of submitting that work as one’s own.
6. Lying concerning academic integrity issues.

Disciplinary Procedures

A. Options and Sanctions for the Instructor and Academic Integrity Review Committee (AIRC):
When an instructor suspects that a student may have committed an offense, he or she shall follow these steps:
(Note: Instructors are free to consult with the VPAA or his or her designee for guidance prior to contacting a student if the instructor is unsure whether a breach of academic integrity has occurred)

1. Notify the student in writing (via College email) of the suspected offense. The student has the right to respond in writing to the instructor and defend his or her academic integrity within three business days of notification. Should the student fail to respond in writing within the three-day period, the instructor is at liberty to proceed with step two (immediately below).

2. If after three business days the student cannot satisfy the instructor he or she is innocent of the charge and if the instructor has completed his or her investigation of the facts regarding the offense and the student’s response, the instructor shall provide written documentation of the offense to the Vice President for Academic Affairs or his or her designee in order to determine if the student has a record of offenses.

3. After consultation with the Vice President for Academic Affairs or his or her designee, the instructor may (a) adjudicate the offense or (b) submit the case to the Vice President for Academic Affairs or his or her designee for adjudication by the AIRC.

   a. If the instructor chooses to adjudicate the offense, the following sanctions are open to the instructor:

      1) First offense:

         (a) Give a written admonition to the student that further violation shall necessitate action taken by the AIRC.

         (b) Give a written sanction requiring the student to participate in an activity, such as a seminar or special learning experience, to help educate and remediate the student's problem which led to plagiarism.

         (c) Give a written sanction requiring the revision of the work to remedy the offense and establish an appropriate grade.
(d) Give a written sanction which lowers the grade on the work in question.

(e) Give a written sanction which assigns a failing grade for the paper, exam, or assignment.

(f) Give a written sanction which assigns a grade of "F" for the course. (This sanction would supersede any attempt by the student to apply for a “W” in the course, even if such application is made before the withdrawal deadline.)

2) Second offense:

(a) Give a written sanction which assigns a failing grade for the paper, exam, or assignment.

(b) Give a written sanction which assigns a grade of "F" for the course. (This sanction would supersede any attempt by the student to apply for a “W” in the course, even if such application is made before the withdrawal deadline.)

Note: on the second offense, the instructor is encouraged, but not required, to submit the case to the AIRC.

3) Third offense:

Note: for third offenses, the AIRC will be called to hear the case.

For the record, the adjudication, sanctions, and student obligations shall be reported in writing to the Vice President for Academic Affairs or his or her designee before they are communicated to the student.

b. If the instructor submits the case to the Vice President for Academic Affairs or his or her designee, the Chair of the AIRC will call a meeting to examine the evidence, give the student an opportunity to speak on his or her behalf, give the faculty member an opportunity to speak on his or her behalf, and determine what further action will be taken. If the AIRC has reason to doubt that the student is guilty of the offense, no further action is taken except that record of the accusation and the decision made will be kept in the confidential file of the Vice President for Academic Affairs or
his or her designee. If further action is appropriate, the following options are available to the AIRC, depending on the severity of the offense:

1) First offense: The AIRC may choose from the same options as listed above for instructors (see A.3.a.1).

2) Second offense: The AIRC may choose from the same options as listed above for instructors (see A.3.a.2).

3) Third offense:
   (a) Suspend the student from the College.
   (b) Expel the student from the College.

B. Appeals of an Adjudication

The student shall have the right to appeal the validity of the procedure(s) undertaken by the instructor and/or the AIRC. The appeal shall be made in writing to the VPAA or his or her designee within five instructional days of the instructor’s or AIRC’s written adjudication to the student. The appeal shall be commissioned for review by an Academic Integrity Appeals Committee (AIAC) consisting of one faculty member and one student selected from the AIRC, and two faculty members and one student selected at large. Selections will be made by the VPAA or his or her designee. The student and the instructor have the right to a hearing before the AIAC to make statements and respond to questions. The purpose of the AIAC is to determine whether the student’s appeal has merit and whether all proper and valid procedures were followed by the instructor or the AIRC in adjudicating the alleged violation. Appeals may either be upheld or denied. If the appeal is denied, the original adjudication stands. If the appeal is upheld, the AIAC may not render a penalty any more serious than that determined by the instructor or the AIRC. If an additional violation of academic integrity is revealed in the course of the AIAC’s investigation, it is to be referred back to the AIRC as a separate, additional offense. The decision of the AIAC is final.

Organization, Authority, and Resources

Responsibility for the adoption or amending of this Statement of Academic Integrity shall rest in the faculty of Emmanuel College under the leadership of the Vice President for Academic Affairs or his or her designee. This Statement of Academic Integrity at Emmanuel College shall be binding upon student conduct directly related to academic matters through the duration of the
student's academic career at Emmanuel College in its various settings. The Vice President for Academic Affairs or his or her designee shall have the authority to appoint each year the Academic Integrity Review Committee, consisting of a faculty chair, two additional faculty members, and two students. Roberts Rules of Order, Newly Revised Edition shall govern the affairs of the Academic Integrity Review Committee and the Academic Integrity Appeals Committee.

Acceptable Campus Computing and Web Usage
In fulfilling its educational mission, Emmanuel College is committed to providing high quality technological access to its faculty, staff, and students. While such access increases the academic potential of the college community, it also provides opportunities for users to violate basic integrity principles. Emmanuel College students, in accordance with the Emmanuel College Network Use Policies (full policy can be found at [http://web.ec.edu/cris/nup.asp](http://web.ec.edu/cris/nup.asp)), are expected to respect the rights of others, including all copyrights and other intellectual-property rights, regardless of the medium; accept personal responsibilities associated with digital communications; and abide by all security restrictions in place on all information systems, whether associated with Emmanuel College or not. Both legal and moral considerations obligate users to avoid copyright violations and plagiarism of electronic (“online”) materials, physical materials, or material published in any other form.

Students should also use caution when using social networking sites (myspace.com, friendster.com, facebook, etc.). Although these sites provide numerous benefits such as staying connected to classmates, professors, and friends and meeting new people, certain risks still remain. Students should avoid posting specific information on these sites including phone numbers, addresses, class schedules, and social plans.

NOTE: Students should also be aware that posting inappropriate information or pictures on their profiles that are not congruent with the Code of Student Conduct outlined in the Student Handbook could result in disciplinary action including suspension.
In addition, students should understand that future employment may be hindered if employers discover negative information on social networking sites. Inappropriate pictures or information
could be seen as a reflection of personal character by employers. Here are some helpful hints to stay safe:

- Assess your account and postings. Would your parents, professors, or future employers approve?
- Do not post private information (phone numbers, addresses, class schedules, and social plans) unless you are O.K. with anyone tracking you down/finding you day or night!
- Utilize privacy settings on your account.
- Use a search engine to see how your name is being used.
- Use wisdom!

ACADEMIC RESOURCES

Student Advisors
An advisor is someone who has been trained to assist students in making their academic decisions and understands their degree requirements. Advisors are individuals who show concern for students and their personal well-being.

Each student is assigned an academic advisor. The advisor’s chief role is to assist the student in registering for classes each semester. Advisors are also available for other types of academic and personal advice and are encouraged to establish a mentoring relationship with each advisee.

Should an advisor not feel qualified to provide adequate advice in a given situation, the advisor may refer the student to other appropriate resources. Although advisors are instructed to do all in their power to help students register for necessary courses, ultimately students are responsible for their own enrollment decisions.

Advisors can also assist by:

- Providing accurate and timely information regarding academic programs, requirements, policies, and procedures.
- Assisting in the exploration and certification of educational options (including the choice of a major).
- Providing assistance if you should experience academic difficulties and/or be placed on
academic probation.

- Making referrals, when appropriate, to other support services on campus.
- Maintaining confidentiality in the advising process.

A student is an individual who is committed to obtaining a college degree from an institution of higher education. Advisors expect from their students:

- That you give consideration to your personal, educational and career goals.
- A basic familiarity with your academic program, including academic requirements and policies.
- Timely notice and information concerning academic problems you may encounter.
- That you accept responsibility for your decisions.
- That you arrive punctually and come prepared with a tentative idea of the schedule of classes.
- That you ask questions if you feel you have received insufficient or confusing information.
- That you take full advantage of your appointment - don’t just walk in for a quick approval and leave.

**Tutoring**

The Academic Resource Center is an academic lab that provides free tutoring to all currently enrolled students for many of the classes offered at Emmanuel. Students are encouraged to seek assistance in understanding course lectures, discussions, and readings as well as assistance in completing course assignments. Subjects offered include math, science, English, history, education, business, communication, music, Spanish, French, and Christian ministries.

One of the main services of the center is to provide writing assistance. Writers at any stage of the writing process (from brainstorming to final draft) can bring their papers to the center for feedback and collaborative revision. Academic Resource Center writing tutors are trained students who have demonstrated excellent skills in their own writing. The tutor's job is not to proofread papers, but rather to guide and coach the writer through the writing process so that the final product fulfills its purpose while being well developed and written in grammatically
standard English. Students may bring their papers to the center for review of issues such as development, clarity, concision, and research documentation. Writers are encouraged to bring multiple drafts to the writing center. Revision is the key to an excellent paper, and expert guidance during the revision stage is helpful.

The Academic Resource Center is located in Aaron 207. Students are encouraged to call ext. 2633 for an appointment, but walk-ins are welcome. If a tutor is available, he or she will be glad to help. Tutoring sessions are generally 30 minutes long, but can be scheduled for longer.

**Shaw-Leslie Library**

The Shaw-Leslie Library contains printed books, electronic books, periodicals, newspapers, and audio-visual materials for student use. Many library resources (including full-text periodical articles and e-books) are accessible through the internet. Access to some databases requires a password which may be obtained from the library website. Below are answers to frequently asked questions about the library. For complete information on the full range of library services, visit [http://destiny.ec.edu/common/welcome.jsp?site=100](http://destiny.ec.edu/common/welcome.jsp?site=100)

- Books are checked out for a fourteen-day period. A student may create an account on the library website and may renew books up to two times if another patron has not requested use of the books. Fines accumulate at the rate of 10 cents per day per item.
- Reference books, periodicals, videocassette recordings, DVDs, and music CDs do not circulate outside the library.
- Students must show a current Emmanuel College picture ID card to check out library materials.
- Materials placed on reserve by an instructor may be obtained from the circulation desk. Most reserve materials may not be taken from the library.
- A DVD/VHS player for student use is provided on the second floor. DVDs may also be viewed on library computers.
- Computers with Microsoft Office and web-browsing software are available for student use on both floors. The second floor library computer lab is designated as a quiet study area.
- No food or drinks may be brought into the building.
- Librarians are available for individual research instruction.
- Library hours are posted on the library website link above.
- Some offices for math professors are located on the second floor of the library. Check the professor’s doors for office hours. A math classroom is also located in room 201 on the second floor of the library.

**CULTURAL AWARENESS PROGRAM (C.A.P)**

**Etiquette**

Emmanuel College students attending Cultural Awareness Program events are expected to observe the following etiquette. (Full CAP purpose statement and policies regarding graduation are available on the CAP website.) This etiquette is part of the CAP educational experience and is designed to show respect for the performers and fellow audience members and to teach students the behavioral codes for cultural events which students may not have had an opportunity to attend in the past. Practicing these codes could prevent significant embarrassment for students when attending cultural events outside the Emmanuel College setting.

**Do not bring electronic audio, photography, computer, or video equipment.**

- Emergency personnel may keep pagers with them if the pagers are silenced. Any electronic devices brought to an event may be left with the faculty monitor until the conclusion of the event. Prior approval for use of photography or recording equipment by communication students, yearbook, literary magazine, or newspaper personnel may be granted by the CAP committee upon request.

**Dress appropriately, according to the type of event one is attending.**

- Shorts and midriff-baring tops are not appropriate attire. Remove all caps or hats. Jeans are the most casual attire worn to cultural events.

**Do not do homework unless prior approval by the CAP committee has been granted.**

- If taking notes on the event for a report, please notify the faculty monitor upon entering.

**Do not bring food or drink.**
Please dispose of these items in the trash receptacles in the foyer.

**Do not talk or whisper during a cultural event, except during appropriate pauses in the performance.**
- Speaking is appropriate during applause at music events and during discussion times at other cultural events.

**Do not make unnecessary and distracting noises during the performance.**
- These include unfolding wrappers, rustling paper, clicking, tapping, etc.

**Do not applaud at inappropriate times.**
- Some musical works may have several movements, or several short musical selections may be grouped together. The audience is expected to applaud only at the conclusion of all movements or at the end of the group of pieces.

**Do not enter or exit the auditorium at inappropriate times.**
- Please quietly leave and return only during applause, unless an emergency occurs.

**Respect the person you have come to hear and expect the best.**
- The guest artist has worked countless hours to prepare this event, so respect that hard work by being attentive. Open your heart, soul, and mind to learn something new.

Any faculty or staff member is authorized by the CAP committee to speak with disruptive and non-complaint audience members, and may ask the offender(s) to leave if necessary. Students who fail to comply will not receive CAP credit for the event and may be reported to the Vice-President for Student Life for disciplinary action.

**RESIDENCE LIFE**

**Purpose**
To provide an on-campus living, learning environment that facilitates personal growth and a sense of community among residents.

**Residence Life Goals**
1. Provide students with the opportunity to serve others and grow in Christ by developing a
strong sense of community.

2. Foster a lifestyle of stewardship among the members of the Emmanuel College community.

3. Provide a living environment in which students will be challenged to increase social skills, make new and lasting relationships, and maintain an atmosphere conducive to learning.

4. Develop among the residence life community a sense of ownership for the residence hall living environment.

5. Establish accountability among the residence life community by enforcing the appropriate college policies.

6. Develop programmatic initiatives for the campus community geared towards impacting student learning and development.

**Residence Life Agreement**

By moving into the residence halls, the resident agrees to all rules, policies, and guidelines pertaining to on campus living, the Code of Student Conduct, and other regulations as outlined in college publications. The College reserves the right to make appropriate changes to any of the rules, policies, and guidelines and will take all reasonable measures to notify the residents of the changes.

It is the resident’s responsibility to read and understand the expectations outlined in the Residence Housing Contract, Residence Life Guide, and other College policies and regulations, as well as official emails, posters, or written/verbal correspondence issued by the Department of Residence Life.

**THE RESIDENTIAL COMMUNITIES**

**Roberson Hall**

Roberson Hall, constructed in 2011, is the newest residence hall on campus, featuring apartment-style living for students. Roberson has four towers – two male, two female – each set is adjoined by a commons lobby featuring a large lounge area, workout room, business center, and coffee bar. The lounge area also boasts a 52 inch flat screen television, stone fireplace and separate areas for study. Suites in Roberson have living, dining, and kitchen areas that are fully
furnished, including a flat screen television, couches, refrigerator, and sink. Each suite has four rooms and four private bathrooms.

**Drum Hall**

Constructed in 1975, Drum Hall provides an intimate atmosphere for its 70 residents to live and form relationships. Located on the main residential quad on campus, Drum Hall consists of three floors of residential living. Each floor is separated by a lobby with couches, tables, and flat-screen televisions equipped with cable. The ground floor contains a main lobby area with a flat screen television, a kitchen, and laundry room.

Drum Hall is known for its great location close to the dining hall, the Aaron Academic building, and view of the residential quad. The quad is an outdoor area which provides a place to relax with friends, study, or participate in an educational programming event or spontaneous recreational activity. Each room has its own air conditioning and heating unit.

**Jackson Hall**

Known for its long history, tradition, sisterhood, and upbeat residents, Jackson Hall is often a top choice for incoming female students. Originally constructed in 1928, this historic building has character by the mile. Jackson Hall is located on main campus, facing the central quad, and has resident parking directly behind. In this 98 bed-capacity residence hall, room sizes range from small singles to a large triple-occupancy room. Each room is equipped with essential furniture and adjustable loft beds, most of which can be bunked or debunked, depending on space and resident preference. The residence hall is comprised of three floors for residents and is sectioned into four “halls,” each of which are overseen by a Resident Assistant.

Lobby areas are located throughout the building. The main and largest lobby sits at ground-level and serves as the main entrance to Jackson Hall. Another smaller lobby, lovingly nicknamed “The Max,” has full kitchen access and sits a floor below the main lobby. Other lobbies and sitting areas are located throughout the building, providing ideal lounge and study space.
Students also enjoy high speed Internet access, including wireless, and an in-house laundry facility.

**Hartsfield**

Hartsfield is an all-female residence hall. Residents in this coveted space enjoy suite-style rooms with plenty of elbowroom. The two rooms in each suite are connected by a private bath, usually shared by four residents. Each room has its own heating and air conditioning unit. Students often take advantage of Hartsfield as a great place to study, since it is known for its quiet and serene atmosphere.

Located just a short walk away from main campus, this 30+ capacity residence hall has two floors, each with a lobby, mini-kitchen area and a laundry facility. Both lobbies are equipped with comfortable seating, tables, and flat-screen TV’s with cable access. Students also have access to high speed Internet, including wireless access.

**Melton Hall**

Melton Hall is an all-male residence hall, known for its easy-going atmosphere. Melton Hall has 30+ beds and offers suite-style living, usually with 2 students per room, four per suite, and a bathroom between the two rooms.

Melton Hall provides two lobby areas - one on each floor, and each lobby serves as a highly communal area, since they are located just outside the resident rooms. Even with comfortable seating, cable TV’s, and a fun atmosphere in the lobbies, this residence hall still provides plenty of quiet space for study.

**Wellons Hall**

Wellons Hall, constructed from 1958-1959, has three floors of men’s rooms, each floor divided into two separate neighborhoods. Wellons is home to approximately 95 male students, the majority of which are first and second year students. Known for its tight-knit community and
close proximity to central campus, upperclassmen often desire to live in Wellons Hall for the
duration of their residence life experience.

Wellons offers central heating and air, wireless Internet, a comfortable lobby with cable
Television, a laundry room, kitchen, and a desk-chair furniture combination in every room. It is
Located close to two of the main academic buildings on campus and is a short walk away from
The tennis courts, volleyball court, and the intramural field.

RESIDENCE LIFE STAFF

Director of Residence Life
The Director of Residence Life is responsible for the coordination of residence
Education/programming, student housing placement and facilities management with the goal of
Fostering a living, learning environment. The Director of Residence Life supervises the
Residence Director’s (RD’s) and coordinates the selection and training of Resident Directors and
Resident Assistants, implementing programmatic initiatives and enforcing policies contained in
The Residence Life Guide.

Residence Director (RD’s)
The Residence Director is responsible for the daily operation of assigned residential facilities.
Responsibilities include supervision of Residence Assistants (RAs), being available for students,
Implementation of developmental program initiatives, and enforcing college standards, rules and
Policies. The RD’s report to the Director of Residence Life.

Residence Assistants (RA’s)
Residence Assistants live with the residents in the residence halls and are responsible for helping
Establish a positive residential environment. There is typically one RA per floor in each of the
Residence halls. These student staff members are selected for their skills, interests, and abilities
Which allow them to help other students get the most out of their Emmanuel College experience.
Through programmatic activities, assisting resident needs, and appropriate enforcement of
college policy, RA’s play a vital role in the success of the residence life program. Residence Assistants report to their appropriate Residence Directors

**RESIDENCE LIFE OFFICES**

Residence Life offices are located in different locations across campus:

**Jackson and Hartsfield Hall**
The Residence Director’s office for Jackson and Hartsfield is located on the ground floor of the dining hall side of Jackson Hall.

**Roberson Hall**
The Residence Director’s office for the Roberson Hall women’s towers is located in the West tower on the first floor, Suite 104. The Residence Director’s office for the Roberson Hall male towers is located in Roberson 4th tower Suite 414.

**Wellons Hall**
The Residence Director’s office for Wellons is located on the ground floor of the Drum side of Wellons Hall. Visitors may enter via the main lobby area of the building.

**Drum and Melton Hall**
The Residence Director’s office for Drum Hall is located in the Student Life Office.

**GENERAL RESIDENCE LIFE INFORMATION**

**Residency Requirement**
Emmanuel College supports the philosophy that education is not confined to the academic classroom. Rather, liberal learning is enhanced through community, which occurs when students live and study on campus. The College is dedicated to maintaining congruence between intellectual and residential life.

Violation of school policy pertaining to residency requirements may prevent students from being
activated and attending classes. In addition, students may be responsible for half of the semester Residence Charge. Students are advised not to sign an off-campus lease unless they have been granted a written exemption by the Director of Residence Life. Applications are also subject to the approval of the V.P. for Student Life. Violations of the Code of Student Conduct may result in loss of Residency Exemption.

**Residency Age Limit**
College Residence halls are designed for traditional students. Students who are over 24 prior to his/her initial enrollment may apply to live in College-owned rental property.

**Criteria for Residency Exemption**
1. Student lives and travels to class from primary residence of their parent(s) or legal guardian(s) which is located within a sixty (60) mile driving distance of the Emmanuel College campus (the College reserves the right to require the submission of the necessary documentation to verify student residency).
2. Student will be twenty-two years of age prior to the first day of the semester classes.
3. Student is/will be married (a copy of certificate may be requested).
4. Student is a single parent with primary child-rearing responsibilities (a copy of official birth certificate(s) for child(ren) may be requested).
5. Student will be twenty-one years of age prior to the first day of the semester classes and/or has earned more than ninety credit hours (senior standing) and will be applying to live in College-owned rental property (space permitting).

**Residency Exemption (Other)**
A student who does not meet the above criteria must complete Section C of the Residency Exemption Application. However, it should be recognized that it is uncommon for Emmanuel College to grant exemptions.

**Medical Needs-Based Exemptions**
Students who apply for exemption on the basis of medical needs must complete Section D of the Exemption Application and provide the required documentation. Please note that applications
citing medical needs will not automatically result in approval; the College may first attempt to accommodate the student’s needs. Seasonal allergies are not considered a valid reason for exemption. **By submitting the medical needs-based section of the application and any accompanying documentation, the student grants consent for appropriate College personnel to review the information.**

**College-Owned Rental Property**

Students who have earned more than ninety credit hours (senior standing), or are twenty-one years of age prior to the first day of classes for the academic year are eligible to apply to live in College-owned rental property (space permitting). These eligible students must also submit the Residency Exemption Application, and must be approved by the Residency Exemption Committee and the V.P. for Student Life. Nontraditional students may also request spaces in College-owned rental property.

**Residency Exemption Procedures**

1. Retrieve the Residency Exemption Application (available online at www.ec.edu/life/residence-life).
2. Complete the form in its entirety, including any separate documentation. Please note, partial applications will not be accepted.
3. Submit the application to the Director of Residence Life by the following dates*:
   a. For current students:
      - March 31 (applications for the subsequent fall semester)
      - October 31 (applications for the subsequent spring semester)
   b. For incoming students:
      - July 15
      - December 15th (for spring semester)
   c. Applications submitted after the deadline will not be accepted.
   d. Typical notification of the Exemption Committee’s decision will be sent via student’s Emmanuel College email.
*A student may submit an application during a current semester if he/she has a change in circumstances, resulting in eligibility (based on Exemption Criteria 1, 2, and 3 only). The College reserves the right to modify this policy in the event of extenuating circumstances.

**Community Hall Councils**

Each Residence Hall has the option to establish a Community Hall Council. The Community Hall Council is composed of elected officers and representatives and is supervised by Residence Directors and other residence life staff. While the organizational structure may vary slightly from hall to hall, each group’s purposes are the same:

1. Recommend to residence life and/or implement programs and activities that respond to the needs and requests of residents on their hall.
2. Identify any items or issues of concern that affect their living, learning environment.
3. Recommend ongoing activities and committees that vary according to residents’ interests.

**Staff Availability**

The Director of Residence Life and Residence Directors keep regular office hours. These hours are posted on office doors, and students are encouraged to discuss any issues of concern with residence life staff. In addition, each Residence Assistant (RA) is required to work scheduled hours. These hours vary to ensure proper coverage throughout the week.

**Open Residence Hall**

The Department of Residence Life periodically allows open residence hall nights to support community life and positive student interaction. Specified open hours are announced, and students may visit the halls of different residential communities. Residence Life staff supervise open residence hall nights, and students are required to keep his/her door open if members of the opposite sex are in the room, have adequate lighting, and are not permitted to lie down together or underneath covers. For rooms that have individual bathrooms, residents should not be showering while a member of the opposite sex is in his/her room. Students are expected to
demonstrate respect and courtesy to others and should conduct themselves appropriately during visitation hours.

**Parking**

All students operating or parking motor vehicles on campus must register their vehicles with the Department of Campus Safety. For student parking regulations, visit the following site: [http://www.ec.edu/life/parking](http://www.ec.edu/life/parking).

**Health Awareness and First-Aid**

While Emmanuel College does not provide Heath Services, information about and directions to fulltime, off campus emergency health facilities can be provided by Student Life or Residence Life staff. In addition, a flier is also located in the lobby of each residence hall with the appropriate phone numbers, facilities, and directions to local health services/providers. In the case of illness or injury, the Residence Director or Residence Assistant should be notified. Emmanuel College is not liable for accidents or injuries occurring anywhere on the College campus.

Students should use the following as guidelines to ensure personal health and safety:

1. Practice good hygiene by:
   a. Washing your hands thoroughly and often, especially after using the toilet, coughing or blowing your nose.
   b. Avoid kissing or sharing a drinking glass, eating utensil, lipstick, or other such items with sick people or with others when you are sick.
   c. Do not share personal items such as uniforms, personal protective equipment, clothing, towels, washcloths or razors that may have had contact with the infected wound or bandage.

2. Monitor symptoms of influenza including:
   - fever (usually high) and headache
   - extreme tiredness, cough and sore throat
   - runny or stuffy nose
   - muscle aches, nausea, vomiting, and diarrhea, (much more common among
children than adults).

3. Monitor symptoms of serious illness like meningitis. Meningitis infection is characterized by a sudden onset of fever, headache, and stiff neck. It is often accompanied by other symptoms, such as
   - Nausea
   - Vomiting
   - Photophobia (sensitivity to light)
   - Altered mental status

A first-aid kit is available in each residence hall for the treatment of minor cuts, scrapes, and ailments. Residence Life staff are not considered health care professionals, but will allow students to choose the appropriate medicine or treatment for his/her ailment. For more information regarding health awareness, please visit the Student Handbook located on the Emmanuel College website.

Fire Safety

Each residence hall is equipped with fire alarms. These alarms are designed to help save lives and must never be tampered with or ignored. Smoke detectors are strategically placed in each residence hall and should never be disconnected. If they begin to beep, a work order should be submitted to have the battery replaced.

Tampering with or misuse of the fire safety systems may result in severe disciplinary action including suspension from the College. To further help protect resident students, the residence life staff will conduct periodic fire alarm drills.

Fire Drill/Evacuation Procedures:

1. In the event of a drill or actual fire, the smoke detectors will sound.

2. Before exiting a room, students should first feel the door handle. If it is hot, it should not be opened. Proceed to a window and call for help.

3. If the handle is not hot, open cautiously and check for smoke or fire before leaving the room (Evacuation maps are posted in each residence hall. Students should familiarize themselves with their escape route upon arrival to campus).

4. Students should then leave the room, pull the door behind them and proceed in an orderly fashion to the nearest fire exit.
5. If the fire alarm has not been activated, students should pull the fire alarm closest to them as they exit. If necessary, stay low to avoid smoke inhalation.

6. Knock on doors as you leave and yell “fire!” Do not gather personal belongings, look for other people, hesitate, or stray from your path.

7. After exiting the residence hall, student should meet in the assigned areas to be accounted for and if necessary, dial 911. Under no circumstances should a student re-enter the building after exiting.

**Evacuation Sites**

The following areas have been designated as the evacuation sites:

1. Wellons Hall: Students are to meet at the small gazebo next to Student Life.

2. Jackson Hall: Students are to meet in front of Taylor Chapel.

3. Drum Hall: Students are to meet in the northeast section of the Quad between the Aaron Building and the Taylor Music Hall.

4. Melton Hall & Hartsfield: The east end of the residential parking lot beside the hill.

5. Roberson Hall: The parking lot area closest to Pinnacle Bank.

After all students have accounted for and cleared by the Resident Director, students may re-enter the building. In the event of an actual fire, no one may re-enter the building unless they are cleared by the Fire Department.

**Tornado Safety**

To ensure safe evacuation procedures during a tornado, residents should follow these general guidelines:

- During a tornado watch, residents should pay close attention to the local weather as conditions are right for a potential tornado. Residents should take this time to review tornado warning procedures.

- During a tornado warning, residents from all floors should proceed to the first floor of their building and remain in the hallway(s) with all doors closed, or in the lower floor
stairwells. Students should remain in these shelter areas until the tornado warning has passed.

**Energy Conservation**

Emmanuel College Residence Life encourages the purchase of appliances that have been designed as ENERGY STAR® products. These products use less energy, help reduce electrical loads, and can extend the electrical capacity in residence living space.

In addition, the Department of Residence Life recommends that residents develop and maintain living habits that help protect and sustain the environment. For example:

1. Turn off appliances when not in use (computers, stereos, televisions, and lights)
2. Minimize the use of water
3. Report any leaks to a residence life staff member
4. Use compact fluorescent light bulbs as they last longer and use one quarter of the power

**Room Entry**

The College reserves the right to enter student rooms for the purposes of (this is not an exhaustive list):

1. Health and safety inspections
2. Facility improvements and routine maintenance,
3. Managing rooms in the event of an epidemic or emergency that jeopardizes the well-being of the occupant or other students,
4. Maintaining a quiet environment where residents may sleep and study.
5. Enforce College policies outlined in the Student Handbook/Code of Student Conduct and Residence Life Guide

Students will not be given access to any student room which is not their own without proper consent.

**E-mail Communication**

E-mail is typically the official method of communication between the Department of Residence Life and students. The Department of Residence Life regularly distributes official
communication to residents via their EC email accounts. Check your account regularly for important housing information regarding room sign-up, break schedules, check-out procedures, disciplinary notifications and other announcements. Every student is responsible for information sent to him or her.

**Student Property**

The College is not responsible for the theft, damage or loss of personal belongings from any part of the residence hall, including rooms and public areas. Residents are strongly encouraged to lock their doors to reduce the threat of theft of their belongings. Residents are responsible for obtaining personal property coverage through family homeowner’s or renter’s insurance. The College is not responsible or liable for any injury, loss or damage to any person or property.

**Maintenance Requests**

The College provides routine maintenance to the residence halls. Residents who wish to request repairs in their room should inform the Residence Assistant (RA). The College will attempt to make all repairs as quickly as possible. While there is no charge for routine maintenance, repairs for damages made by students that go beyond normal wear and tear may be assessed a fine.

**Internet Connectivity**

Every room is equipped with computer network connections, and each building is on the College’s wireless computer network. It is the responsibility of the residents to provide and properly maintain their own computer equipment. Abuse and/or misuse of the College’s computer network will be appropriately addressed by the Residence Life staff. For more information regarding network access, please visit: [http://www.ec.edu/life/information-technology](http://www.ec.edu/life/information-technology).

**EC Alert Service**

Every resident is strongly encouraged to participate in EC Alert, the emergency mass notification system employed by Emmanuel College Department of Campus Safety, to contact students, faculty and staff in the event of an emergency, crisis, or with other important information. EC Alert allows you to receive urgent information through email, text message and voice message.
RESIDENTIAL LIVING STANDARDS

Introduction

The Community Philosophy as outlined in the Code of Student Conduct calls us to operate as threads of a common fabric, and it is up to each of us to encourage productive interactions and relationships that reflect the mission of Emmanuel College. Students arrive on campus with different ideas, knowledge and understanding about people different from themselves. Choosing to be a member of Emmanuel College’s residential community is choosing to live in a diverse setting that encourages all participants to engage in the living, learning process in the context of a Christ-centered environment.

Such a community must allow for and respect diverse opinions and beliefs, individual differences, and offer a level of personal support and accountability. The residential areas are comprised of students and staff of different backgrounds, races, abilities, and cultures. The opportunity to learn about others is one of the great benefits of residential life at a college campus.

Roommate Bill of Rights

The basic rights of a roommate and residential neighbor include the following:

I. The right to read and study in one's room.
II. The right to sleep with as little disturbance as possible.
III. The right to expect your roommate and/or suitemate to respect one's personal belongings.
IV. The right to live in a clean environment.
V. The right to enter one's room whenever one wants, unless other provisions are made and agreed upon by your roommate and / or suitemate.
VI. The right to personal privacy.
VII. The right to have guests in accordance with school policy, providing they respect the rights of the roommate and/or suitemate and the other residents.
VIII. The right to speak out openly whether it is about ideas, opinions or grievances.
IX. The right to be free from physical or emotional harm.
X. The right to be treated considerately and thoughtfully.
XI. The right to expect reasonable cooperation from your roommate and/or suitemates.
**Disciplinary Procedures**

All students alleged to have violated housing policies or *Code of Student Conduct* regulations are subject to the appropriate disciplinary procedures. The following are general disciplinary procedures for Residence Life at Emmanuel College and are not intended to replace the disciplinary procedures outlined in the Code of Student Conduct.

**Step 1:** A student, faculty, staff, or community member may report the situation to a Residence Director.

**Step 2:** The Residence Director will determine one of two actions to take:

a. Investigate and determine the appropriate disciplinary sanction(s) (if applicable) as outlined in the *Code of Student Conduct*.

b. Refer the matter to the Director of Residence Life.

For option “a”, the Residence Director reserves the right to consult with other Residence Life staff as needed. For more information, contact a Residence Director or visit the Student Handbook at [www.ec.edu](http://www.ec.edu).

**POLICIES AND REGULATIONS**

**Abandoned Items**

Students must remove ALL property from their residence hall rooms on the day the residence halls close at the end of the spring semester or the last day of his/her enrollment. Unless permission has been obtained from a Residence Director and Director of Campus Operations, items left in rooms will:

1. Be disposed of in the appropriate manner
2. Become the property of the college ten (10) days after graduation (or after the student is no longer enrolled).

Any personal property left in public areas (i.e. bathrooms, hallways, laundry rooms, etc.) is subject to disposal.
Decorations/Modifications

Emmanuel College Residence Life must ensure no safety or fire hazards are created as a result of room decorations. In addition, the Campus Operations Department must be able to perform periodic maintenance. Tape, nails, screws and any other abrasive adhesives are not permitted. Non-damaging, removable adhesive products should be used as needed.

General Requirements

All residents must meet the following general requirements when decorating rooms:

1. All decorations must be in good taste and reflect the Community Philosophy as outlined in the Code of Student Conduct. Literature, pictures, posters or advertisements that are obscene or otherwise distasteful are not permitted in the residence halls.
2. Electrical accessories must be UL-approved. Electrical devices may not be spliced into existing wires; use only extension cords.
3. When students move out of a room, the room must be returned to its original state. Residents are responsible for any damage to the room.
4. All lights or other electrical decorations must be approved by a Residence Director (RD).
5. All drapes must be made of fire-retardant fabric.
6. The use of contact paper/adhesive shelving liners in residence halls is prohibited.
7. Residents may not paint their rooms.
8. Hanging items from resident room windows is prohibited.

Wall Decorations

Limitations on the types of adhesives and wall-hangers are designed to reduce possible damages. No nail-holes should be made in the walls. To hang posters, calendars, and other lightweight items on walls, use self-sticking, removable adhesive putty. *For Roberson Hall, adhesives should not be used. Instead, students should use thumbtacks.*

Do not draw, engrave or place any stickers on room doors, furnishings, or glass surfaces. Residents are charged for any damages to a room above and beyond normal wear and tear.
Painting of Rooms

Students are not permitted to paint their rooms. The Department of Residence Life in conjunction with the maintenance department will determine if a room needs to be painted.

Posting of Flyers and Announcements

All flyers and announcements to be placed in a residence hall must be approved by a Residence Director. Postings are to be placed only in designated areas including bulletin boards found in most lobbies. Flyers and announcements should not be placed on any residence hall entry or room door.

Restricted Areas

Outside of move-in day, year-end check-out, and announced Open Residence Hall periods, students are not permitted on the residence hall floors or in the residence hall rooms of members of the opposite sex unless directed otherwise by the appropriate college personnel. Violation of this policy could result in suspension from the College.

Room Inspection

Regular room inspections will be conducted by Residence Life personnel. Residents are expected to maintain his/her room and common living areas in suites by:

1. Keeping dishes clean
2. Placing dirty clothes in a laundry basket
3. Vacuuming floors on a weekly basis
4. Routinely cleaning private bathrooms

Students must bring their own supplies for cleaning their rooms. Following these simple guidelines helps prevent the infestation of insects and/or rodents and the spread of infection. In addition, these simple tasks conducted by residents will assist in maintaining a healthy and safe living environment. Failure to maintain a clean room may result in disciplinary action, including re-assignment.

Furniture

No furniture is to be removed from rooms or used in a manner other than that for which it is intended. All room furnishings belonging to the College must remain in good condition.
Students will be financially responsible for damaged, misplaced, or missing furnishings. Fines will be assessed upon checkout.

**Bicycles**

Bicycles cannot be operated or stored in rooms, hallways, stairwells, or any other areas inside the hall. Bicycles may be kept in designated bicycle storage racks. Bicycles should not be attached to railings, benches, trees or in other exterior locations that obstruct access to stairways, sidewalks, or entrances. Bicycles left unattended anywhere in the halls or on campus may be treated as abandoned property. It is the student’s responsibility to lock and secure his/her bicycle. The College is not responsible for damaged, lost, or stolen bicycles.

Motorcycles, mopeds, scooters and similar vehicles are not permitted inside the residence halls. Because of fire safety concerns, these vehicles should never be parked near or against the building.

**Damages/Vandalism**

Residents are responsible for the condition of their rooms and all the furnishings assigned to them. If the room is damaged, or its furnishings damaged or lost, residents are financially responsible. Residents of an individual room or residence hall may also be required to share the expense of repairing or replacing property in common areas (such as hallways, pod lobbies, studies, or main lobbies) when such repairs are determined to be above and beyond normal wear and tear.

The intentional or reckless destruction or dismantling of any College property or equipment may result in disciplinary sanctions. Charges for damages and cleaning will be determined only by the Department of Residence Life or other appropriate college personnel; repairs or replacement of items may not be done by residents. Students who fail to pay assessed charges will be prevented from registering for classes, obtaining transcripts, or receiving grades.

**Housekeeping and Cleanliness**

It is each resident’s responsibility to maintain the cleanliness of his/her personal room and living areas. In addition, residents are expected to exercise care and stewardship of their common
living areas. The Housekeeping staff provides general cleaning services to common areas (public/hall bathrooms, hallways, lobbies, etc.). Rooms/Suites with private bathrooms, living, dining and kitchen areas are to be maintained by the residents. Failure to demonstrate respect and responsibility in these areas of expectation may result in disciplinary action, including re-assignment of housing.

**Defenestration**

Throwing items through residence hall windows is prohibited. Failure to adhere to this policy may result in disciplinary action.

**Disorderly Behavior**

Behavior that interferes with the normal functioning of a residence hall or unnecessarily impedes on the rights of students and/or staff is prohibited. This includes, but is not limited to:

1. Behavior that disturbs the academic pursuits or infringes upon the rights, privacy, property, or privileges of another person.
2. Hall sports, water fights, pranks, and other disruptive actions.
3. Failure to comply with directions or instructions given by College officials, Law Enforcement, or other personnel acting in performance of their duties and/or failure to identify oneself to these persons when requested to do so.
4. Behavior or actions that are considered rude or disrespectful toward others (roommates, residence life staff, guests and other students).

**Electrical Appliances**

The capacities of the residence halls’ electrical systems are limited, and overloading them can result in fire hazards. In addition, there are certain types of electrical appliances that are dangerous in residence hall rooms. For the safety of all residents, residence hall staff is responsible to ensure compliance with all electrical use policies and to stipulate any necessary changes in the operation of appliances and/or outlets.

The following guidelines govern the use of electrical appliances, outlets and extension cords in residence hall rooms:

1. Electrical appliances with an exposed heating element are strictly prohibited. This includes crockpots.
2. Extension cords may be used under the following conditions:
   a. Only one extension cord is permitted to connect an appliance with an electrical outlet. Extension cords may not be connected in a series.
   b. Only properly grounded extension cords may be used with appliances that require grounding.
   c. Multiple-outlet adapter “strips” with built-in circuit breakers are recommended when the desired number of outlets exceeds the available number of outlets in student rooms.
3. Resident-owned air conditioners are not permitted.
4. Resident-owned refrigerators are allowed in residence hall rooms provided they do not exceed the following electrical requirements:
   a. They operate at 118 volts (plus or minus 5%), 60 Hz, and do not draw more than 1.5 amps or 180 watts of power.
5. Other appliances such as radios, stereos, desk lamps, computers, and televisions are also permitted, provided the total power requirements do not overload the room’s electrical system.
6. All electrical equipment and cords must be maintained in safe operating condition and must satisfy UL standards.
7. Outside antennas and satellite dishes are prohibited.
8. Irons may be used with ironing boards only.
9. Appliances in residence hall rooms are limited to microwave ovens (1.0 cubic feet maximum capacity and 700 watt maximum power) and sealed-unit coffee makers.
10. Students must not leave items unattended while cooking.
11. Use of halogen light bulbs are not permitted due to the danger of fire associated with these types of bulbs.

Fire Safety

The safety of resident students is primary concern for the Department of Residence Life at Emmanuel College. Resident students must be diligent in protecting themselves and others by adhering to policies regarding fire safety. To assist and educate students, the Department of Residence Life conducts regular fire drills in each residence hall. To ensure the safety of students, the following actions are strictly prohibited:
1. Burning incense and candles or having any other open flames in the residence halls
2. Failure to evacuate a residence hall during a fire alarm or fire drill
3. Failing to evacuate for a fire alarm in a timely manner
4. Tampering with fire extinguishers, smoke detectors, fire doors and other safety equipment (minimum fine of one hundred dollars $100.00)
5. Obstructing a fire exit in a residence hall or at a residence hall-sponsored activity
6. Propping open stairwell and other fire doors (unless supported by a magnetic fire door closer)
7. Having in one’s possession and/or using fireworks inside a residence hall, on residence hall property, or any place on campus

Non-Student Guest Policy
To maintain an environment conducive to community life, students must abide by the following policies and procedures regarding non-student guests:

General Visitation Guidelines
1. All non-student visitors must register with the appropriate Residence Director upon arrival and complete the required paperwork.
2. For security purposes, non-student visitors may be asked to provide a driver’s license and vehicle information.
3. Persons visiting a residence hall must be escorted by a resident of that hall at all times.
4. Students who entertain guests are responsible for acquainting them with college regulations. Non-student visitors must abide by all college regulations. Failure to adhere to college regulations may result in notification of law enforcement.
5. Non-student visitors are not permitted to spend the night in a residence hall Sunday’s – Thursday’s unless permission is obtained by the appropriate Residence Director.
6. Students who have been dismissed from the College must have prior approval from the Vice President for Student Life to visit the residence hall.

Overnight Guests (Weekends Only)
Residents hosting guests overnight in their rooms must meet the following conditions:

1. Approval from their Residence Director must be obtained at least 48 hours prior to the arrival of the guest.
2. Approval will not be granted until the visitor completes the appropriate paperwork.
3. The guest must abide by all college regulations, including but not limited to the policies outlined in the Residence Life Guide pertaining to curfew, quiet hours, etc.
4. Persons under the age of 18 must have parental permission to stay in a college residence hall.
5. Children under the age of 12 are not to spend the night in the residence hall.
6. The guest must be the same sex as the resident and is the resident’s relative or personal friend.
7. The student hosting the guest must be a student in the resident of the hall where the guest will stay.
8. If the guest or student will use the bed belonging to the student’s roommate, the student must obtain his or her permission.

Alcohol and Illegal Drugs
All students are prohibited from participating in or associating with the purchase, possession, use, distribution, or facilitation of alcohol whether on or off campus. In addition, no student may be in illegal possession of, deliver, dispense, distribute, administer, manufacture or wholesale any controlled substance, including marijuana, narcotics, hallucinogens, and other chemical analog or drug-related paraphernalia prohibited by State or Federal Drug Laws. The college reserves the right to investigate any suspicious activity regarding nonprescription and illegal drugs. Investigation may include but is not limited to room and/or vehicle inspection, and canine drug scan.

Lofts
Students are not permitted to build lofts.

Pets
No pets are allowed in the residence hall (this includes aquatic life and pets of visitors). Failure to adhere to this policy may result in a $50 fine and possible disciplinary action. Service animals may be permitted with proper approval from the Director of Residence Life.
Quiet Hours
Quiet hours are periods when noise that is audible one door away from the source is too loud. Students must always view the residence halls as neighborhoods where common courtesies should be extended to all residents. In order to preserve a peaceful atmosphere conducive to study and relaxation, quiet hours are in effect from 9:00 p.m. until 9:00 a.m. Any action in or around residence halls which interferes with another resident’s ability to study or sleep during this time is a serious violation and may result in disciplinary action.
Regardless of the time of day, loud noises, disruptive activities and other forms of disrespectful behavior are prohibited in and around residence halls. This type of behavior does not reflect responsible citizenship in residence hall neighborhoods and will be dealt with accordingly. During final exams quiet hours are extended to 24-hours a day.

Stereos, radios, and musical instruments are permitted in student rooms, but playing volumes must be kept to the minimum at all times. Students who violate this basic consideration for others may have their equipment confiscated for an appropriate period of time.

The College discourages students from developing the habit of keeping late hours. Should late activity be necessary, proper precautions should be taken to not disturb others who may be sleeping.

Trash
Students are responsible for disposing their trash in the hall’s designated dumpsters outside each residence hall. To prevent the spread of litter around campus, students should not empty cans directly into dumpster. Trash should be contained in a tied trash bag.
Students who fail to properly dispose of personal trash will be assessed a minimum $25.00 fine. Improper disposal includes placing personal trash in a public trashcan, including those in bathrooms, hallways, etc. Students should never place trash bags outside of his/her residence hall room.

Room Furnishings
Residence Hall room furnishings include a bed frame and mattress, desk and chair, dresser space, closet space, and high-speed Internet service. Room size and window dimensions vary from room to room. Students may not move college-provided furnishings into or out of their rooms.
**Lobbies**
As a general rule, lobbies serve the purpose of creating an environment suitable to student interaction. However, visiting hours will be posted for each lobby. Fifteen (15) minutes prior to campus curfew, lobbies close to visitors who are not residents of the building. Courtesy and respect should be shown to others when visiting any lobby on campus. Equipment and furniture in lobby areas are for the use of all residents and are not to be removed to any other part of the residence hall or campus. Couples are not permitted to exhibit inappropriate displays of affection or lie down on lobby furniture. Students who violate this policy will be confronted by college personnel and disciplinary action may be imposed.

**Laundry Rooms**
Residence halls have laundry facilities for resident student use. After using the clothes dryer, students should clean the lint filter. The College is not responsible for items left unattended in laundry facilities.

**Kitchens/Cooking**
Kitchens are provided for students, who should use extreme caution when cooking. Clean cooking areas are essential to avoid sanitary problems (odors, insects, etc.). All appliances and counters must be cleaned by students immediately after use. Dishes should be cleaned and stored appropriately (students are responsible for any damages or clean-up charges).

Items left in the kitchen may be discarded along with any outdated items in the refrigerators. Students must not leave the kitchen unattended when using a microwave or stove. (Also see Electrical Appliances.) Never dispose of food in kitchen sinks. Residence halls that have kitchen areas are for student use. These areas should be kept clean at all times. Failure to cooperate with these guidelines may result in disciplinary action.

**Bathrooms**
In support of community living, students should help keep residence hall bathrooms clean by taking shower belongings to their rooms and throwing paper towels in the trash cans. Sinks should be free of clutter and rinsed out after use. Students should report any items that need repair. Failure to abide by these guidelines may result in disciplinary action.
Solicitation
Solicitation and/or selling within the residence halls is only permitted in compliance with applicable College policy (see Student Handbook policy: Solicitation on Campus).

Unauthorized Entry/Use of Facilities
No student shall participate or assist in unauthorized entry into or use of any College facility, building, office, or onto any roof or other College property. Students shall not enter resident rooms to which they have been neither assigned nor invited. Failure to adhere to this policy may result in disciplinary action.

Waterbeds
Waterbeds are not permitted in student rooms.

Windows and Screens
Residents may not remove window screens, throw items through, or hang anything externally from residence hall windows. Entering and/or exiting any residence hall through a window is prohibited except in cases of emergencies.

Closed Weekends
In order to build community, create new relationships, and provide a time of spiritual renewal for the campus community, students are expected to restrict travel during the first weekend of each semester. Students are to remain on campus for these dates in order to attend special functions. Any student who, due to a personal emergency, must go home during a closed weekend is required to obtain clearance from his/her Residence Director in advance. Violation of this policy may result in disciplinary action. The College reserves the right to restrict the number of weekends a student may leave campus when it is in the best interest of the student to do so.

Overnight and Weekends
Resident students are expected to spend Sunday through Thursday nights in their assigned residence halls. Exceptions will be made at the discretion of the Residence Director. Students
may sign out to go home for the weekend immediately after their last class and must return to the campus by Sunday night (by curfew, if applicable). If a student’s schedule at the beginning of the week is such that it would be to his/her advantage to return on Monday, he/she must have prior approval from their Residence Director.

When signing out for overnight weekend trips, students must submit the following information to the Residence Assistant: name, destination, dates and approximate times of departure and return, traveling companion(s), and a valid telephone number that may be used in case of emergency. The Residence Director may also request parental permission when students are visiting the home of the opposite sex.

**Storage**

There are no storage facilities available on campus for students’ personal property. Residents must store their personal property in the room. Likewise, the College does not provide storage for students over the summer months. All personal property must be removed at the time that the student is checking out of the residence hall.

**Keys/Safety and Security**

Upon checking into the residence hall, the resident will be issued a room key. Proper use and care of this key is vital to the security of personal property. Residents are responsible for returning the key upon completing the check-out procedure with the residence hall staff. Residents should not loan his/her key to anyone, nor are students permitted to duplicate their key. If a key is lost, a residence life staff member should be notified immediately. Charges may be assessed to residents who lose his/her key or fail to return the key at check-out. The fine for a lost key is $100.

**Residence Hall/Floor Meetings**

Building-wide and individual floor meetings will be held on a periodic basis by the residence life staff. These meetings are designed to inform the residents of upcoming events and other vital information concerning on-campus housing. Students who do not attend are subject to
disciplinary action (typically, a minimum $10 fine, unless the student receives prior approval from his/her Residence Director.

**Commercial Enterprises**

Use of college property, such as the residence hall room, and any college resource for the conducting of commercial enterprises and/or business is prohibited.

**HOUSING ASSIGNMENTS**

**Residence Housing Contract**

All resident students are required to sign a contract. It is each student’s responsibility to be familiar with and adhere to the expectations outlined in the contract.

**Eligibility**

To be eligible to live in a College residence hall during the fall and spring academic terms, students are required to meet the following conditions:

1. Residents must be classified as full-time students as defined by the Emmanuel College Registrar’s Office. Students enrolled for less than the minimum must obtain advance approval from the Department of Residence Life.
2. Residents must settle all account charges prior to move-in unless permission is granted by the appropriate college personnel. Failure to settle accounts may result in class schedule and housing assignment cancellation, and the student may be required to vacate the residence hall.
3. College Residence halls are designed for traditional students. The age limit is 24 upon initial enrollment. Nontraditional students may apply to live in College-owned rental property (space permitting).

**Summer Housing**

Summer housing is available for students who work for the College and are approved by the Director of Residence Life or who are taking classes. Students will be notified of housing assignments and moving procedures via email. Student accounts will be charged appropriately and should be settled prior to summer housing transitions.
Room Assignments

Current Resident Students:

1. Register for classes in March.
2. Pay the $50 registration fee in the Cashier’s Office (This is not a housing deposit and does not reserve a housing assignment. It is applied toward the student’s tuition. You must have registered for classes and paid the registration fee before you can secure housing at Emmanuel College).
3. Get a receipt of payment from the Cashier’s Office and bring it to Housing Rush in April on your designated class standing day (based on the student’s current CRIS class standing).
4. Choose your residence hall/room preference.
5. If you do not participate in Housing Rush in April, then you will be placed wherever space is available.

New Incoming Students:

1. Apply through Admissions and be accepted. No one will be able to fill out a housing application unless they have been accepted.
2. Pay your $200 registration fee (This is not a housing deposit and does not reserve a housing assignment. It is applied toward the student’s tuition. You must have registered for classes and paid the registration fee before you can secure housing at Emmanuel College).
3. Register for classes via an Early Registration event or via phone (If the student meets the distance requirements set by Admissions to do so).
4. Fill out a Housing Application at an Early Registration event or bring the one that you received in your Acceptance packet. If you are registering by phone, you may fax it or email it to Student Life. In an effort to ensure that only accepted students are filling out Housing Applications, the Housing Application will no longer be located online. They will arrive in the student’s acceptance packet via mail.
5. Student is then placed in housing. Residence Life will try to accommodate roommate requests. However, accommodations/requests will only be made for students who have paid their $200 registration fee and registered for classes.
Private Rooms
Private rooms are rarely available during Fall semester. Space permitting, private room assignments are made at the discretion of Department of Residence Life and those with medical based needs receive priority. If a student requires a special accommodation, the appropriate paperwork must be completed and submitted to the Director of Residence Life.

Re-assignment of Space
The Department of Residence Life may re-assign students to other spaces, rooms, or halls when it’s deemed to be in the best interest of community, or when it’s determined that a student is not actually residing in his or her assigned space.

Room Consolidation
The Department of Residence Life reserves the right to consolidate room assignments as seen fit by the staff and/or to aid the college in the efficient administration of the Residence Life program.

Room Changes
Residents may request a room change through the appropriate Residence Director. As a general rule, no room changes are permitted during the first 2 weeks of the semester. During the 3rd week of the semester, room changes may be requested. After the 3rd week, no room changes will occur unless under extenuating circumstances.

Room Occupancy
Prior to each semester, all students are notified as to the opening date of the residence halls. Students are not permitted to return to the residence halls before these dates unless special permission has been obtained from the Director of Residence Life. In addition, residence halls are closed during certain holidays and breaks. Students will be notified in advance of the times and dates of closing and re-opening. Please be advised that students are not allowed to remain in residence halls during these times.
Check-In and Check-Out Procedures

Check-in and check-out information will be communicated to students by Residence Life staff through campus email and/or a mandatory residence hall meeting. When a student checks into their assigned space at the start of a semester, he/she will receive a copy of the housing contract. It is the responsibility of the student to check their room carefully upon move-in to ensure that the information cited on the Room Inventory Form (RIF) coincides with the actual condition of the room. If there are any discrepancies between the RIF and the actual room conditions, the student must notify their Residence Director within 24 hours of checking in.

All resident students are expected to check out of the dorms with a Residence Life staff member at the end of each semester. Students are expected to check out of their residence hall on the day of their final exam, except for students graduating in the spring semester. Special permission to stay after that date must be obtained from the appropriate Residence Director. All resident students are required to be out of their dorms NO LATER THAN graduation day. Keys must be turned in to Residence Life staff, rooms cleaned, damages noted, and rooms inspected by the Resident Assistant or Residence Life staff before the student leaves or fines will be assessed.

Anytime a resident moves out, whether moving off-campus, leaving Emmanuel College, or transferring to another hall, these procedures should be followed:

1. Arrange a check-out time with the Residence Assistant or Residence Life staff at least 48 hours in advance of the anticipated check-out time or follow the appropriate check out appointment guidelines distributed by Residence Life.

2. Remove all your belongings and clean your room. The resident and the Residence Assistant will then check the room against the Room Inventory Form for damages. If there are any damages, they will be noted on the Room Inventory Form. The damage charges will be assessed by Residence Life personnel. Failure to pay damage costs will result in the flagging of the resident’s records and transcripts.

3. Upon check-out, turn in your room key and sign the Room Inventory Form with appropriate Residence Life staff. Failure to return the room key will result in a lost key fine in the amount of $100 and improper check-out or failure to check-out will result in
End of Semester Check-Out

Two weeks before final exam week, each residence hall will hold a mandatory meeting to review check-out procedures and policies. Resident Assistants will place a check-out time sign-up sheet outside of their dorm room one week before exams begin. Residents are required to sign up for a time to be checked out of their residence hall by their respective RA. Failure to be present at scheduled check out time will result in the student having to re-schedule a check out time with their RA. Failure to properly check-out of a residence hall will result in an improper check-out fine (see Student Handbook).

At time of check-out, resident students must be present in their dorm room to turn in residence hall keys. Failure to return residence hall keys will result in a lost key fine (see Student Handbook). Upon check-out, residents must ensure that their rooms are clean and have completed the following tasks:

1. Vacuumed the floor
2. Emptied the refrigerator of its contents
3. Unplugged all appliances expect for the refrigerator
4. Washed dirty dishes
5. Picked up clothing off the floor
6. Taken out all trash
7. Turned off all lights
8. Cleaned bathrooms (if applicable)
9. If alone in a double room, residents must move all personal belongings to one side of the room and leave the other side available for incoming students.

Additional check-out procedures that are specific for each semester are as follows:

Fall Semester Check-Out (December)

Resident students are permitted to keep their residence hall room key over Christmas break but must turn in their outdoor key to Residence Life staff upon checking out of the residence hall. Failure to do so will result in a student fine (listed above).
Spring Semester Check-Out (May)
All personal belongings must be removed from residence halls.

Checkout Procedure for Graduation:

1. The resident must inform the RD if he or she is staying past the last exam and set up a check out time accordingly.
2. Checkout will not occur without an appointment being made*.
3. At the time of check out, the resident must sign out with a Residence Life staff member and turn in his or her key(s).
4. If a resident is staying for graduation, he or she must be packed up and checked out by a Residence Life Staff member no later than Friday evening at 9pm and will turn his or her key in on Saturday to the appropriate RD.
5. Keys must be turned in by 4:00 pm on Saturday for those that stay for graduation. Students are responsible for remembering to turn in keys and failure to do so will result in a lost key fine of $100.
6. All rooms and residence halls will be secured and locked by 5:00 pm on Saturday.

*Anyone who does not follow the Graduation Checkout Procedure will be assessed the $50 improper checkout fine (see Student Handbook).

INTELLECTUAL PROPERTY POLICY

Preamble

Emmanuel College (the “College”) recognizes that commercially valuable intellectual property may be produced in the course of research conducted or other work performed by faculty, employees, and students of the College. Accordingly, the purpose of this policy is to define the conditions of ownership, legal protection, development, and licensing of intellectual property created by any College faculty member, employee, or student. Under this policy, intellectual property can be managed so as to further the College’s mission and enhance the value of such intellectual property for the College, and for the authors and inventors thereof. The Policy
applies to all persons employed by the College, all students of the College, and all persons using Emmanuel College facilities, including, but not limited to, visiting and adjunct faculty and students. All exceptions to the Policy must be negotiated in advance and agreed to in writing by the Emmanuel College Senior Management Team (“Senior Management Team”), Vice President for Finance, or their respective designees. The influence of new technologies on teaching, learning, research, and creative activity will continue, and their impact on higher education and intellectual property law are difficult to predict. Thus, this Policy is subject to periodic review and enforcement, without prior notice to all said faculty, employees, and/or students. The Senior Management Team and the Vice President for Finance shall work closely with deans, directors, and faculty to achieve an equitable approach to resolving these complex issues as they arise.

Definitions

- **Intellectual Property** — legal rights granted in certain creations of the human mind. Forms of intellectual property include, without limitation, Patents, Copyrights, Trademarks, know how, Trade Secrets, and any other such rights that are recognized under law and/or that may be created by law in the future.

- **Software** — any set of instructions for a computer or other information processing device, whether in machine- or human-readable form, or any database or other set of data to be read by such a device. Software may be protected by Patent, Copyright, Trademark or Trade Secret.

- **Invention** — a process, art, method, business method, technique, machine, device, Software, or composition of matter, or improvement thereof, whether or not patentable.

- **Inventor** — an individual associated with the College who makes an Invention, or an individual who is a member of an “inventorship entity” comprising two or more individuals, one or more of whom are associated with the College, who jointly make an Invention.

- **Invention Disclosure Form** — a form to be completed and signed by the Inventors that reports and describes a new Invention, signed by the Inventor(s).
• **Patent** — a legal right issued by the U.S. or another country that gives its owner the right to exclude others from making, using, offering for sale, selling or importing the subject matter of an Invention within such country for a fixed period, usually measured from the date of filing or date of issuance of the patent application.

• **Employment Responsibilities** — Any activity an employee performs routinely as a necessary part of his or her job description.

• **Copyright** — a set of legal rights in an original work of authorship that has been fixed in a tangible medium of expression from which it can be perceived, reproduced, or otherwise communicated, either directly or with the aid of a machine or device. Copyright comprises a bundle of rights and sub-rights, including, without limitation: the right to make reproductions of the work, the right to distribute copies of the work, the right to make derivative works based upon the work, and the right to display or perform the work in public.

• **Intellectual Property Agreement** — an agreement to be signed by faculty, students, and employees (collectively referred to herein as “College Personnel”) which is to be signed by all College Personnel and which constitutes acceptance by such Personnel of the application of this Policy and their agreement to comply with its terms in regards to the ownership of Intellectual Property.

• **Courseware** — The electronic platform (developed, purchased, rented, or otherwise licensed by the College) for the electronic delivery of class materials. Courseware includes the delivery of College property such as course syllabi, the basic structure of the course, and standard, appropriate department tools or content that is understood to be the property of Emmanuel College. Integration of these materials constitutes a Courseware shell.

• **Trademark** — a word, symbol, design, or device (or any combination thereof) that identifies the source of goods or services. A Trademark may be registered or unregistered.
• **Trade Secret** — confidential information, including a formula, pattern, compilation, program, device, method, invention or discovery, technique, or process, which derives independent economic value from not being generally known or readily ascertainable by others and is the subject of reasonable efforts to maintain its secrecy.

• **Author** — a person who creates a copyrightable work.

• **Tangible Research Property (TRP)** — research results in their physical form, including, but not limited to, software, biological organisms, reagents, compositions of matter, instruments, machines or devices, and other property that can be physically distributed. Tangible Research Property may be subject to Intellectual Property rights.

• **Sponsored Research Agreement (SRA)** — a contract between the College and a sponsoring organization that sets the terms and conditions for the conduct of a research or training project. An SRA typically includes a description of the work to be performed, the terms of payment, use of data, ownership of intellectual property, publication rights, and other legal assurances.

• **Royalties** — all consideration of whatever kind received from the sale, license, or other transfer of Intellectual Property rights by the College to another entity, usually a company. Royalties include, but are not limited to, percentage payments, up-front fees, milestone payments, shares of stock, and any other financial or in-kind consideration.

• **Data** — all notes, results of physical or chemical testing, results of calculations based upon empirical or other data, workbooks, prototype drawings, or any other information, in a tangible form, related to research or inventions.

• **Emmanuel College Senior Management Team** — the body which shall have final authority on College Intellectual Property issues and the Emmanuel College Intellectual Property Policy.

**Copyright**

This Policy addresses Copyright ownership, the assignment or transfer of rights associated with Copyright ownership, licensing of those rights, and the distribution of any Royalties therefrom.
The College encourages the preparation and publication of copyrightable works that result from teaching, research, and scholarly and artistic endeavors by members of the faculty, staff, and student body. The College’s general policy is to permit faculty members to retain primary control over their works. However, the sharing of knowledge is central to the success of the College, and Copyright policies should encourage, not inhibit, productive work. Thus, Copyright ownership is treated as a divisible bundle of rights to be allocated among different parties to promote learning and the sharing of information.

Ownership of Copyrighted Works

In keeping with academic tradition, except to the extent required by the terms of any grant or Sponsored Research Agreement, and subject to the ongoing review and approval of the Senior Management Team, the College does not claim exclusive ownership of the Copyright in pedagogical, scholarly, or artistic works, regardless of their form of expression. Such works include, but are not limited to, novels, poems, musical compositions, popular nonfiction, textbooks, course materials, refereed literature, recordings, audio/visual productions and most works created by students in the course of their education, such as dissertations, theses, papers, and journal articles (subject to paragraph 11 below).

Authors of teaching and classroom materials, such as class notes, curriculum guides, or laboratory notebooks, shall retain ownership of the Copyright therein, but grant the College and its affiliates, agents, and other designees a non-exclusive, Royalty-free, worldwide perpetual license to use, display, copy, and distribute such works, prepare derivative works based upon such works, and practice all other such rights provided under U.S. Copyright law.

Whether a copyrighted work is owned by the College depends upon the purpose for which the work is created and not the form of its expression. Accordingly, the College is the Author of all copyrighted works, including Software, Courseware, or other electronic media that are created for an institutional purpose in the course of employees’ prescribed duties. These include simultaneous or sequential contributions over time by numerous faculty, staff, or students. By contrast, works shown to be created as part of a faculty member’s independent research or scholarship are not owned by the College.
The emergence of the World Wide Web has led to a new category of work called Courseware. Emmanuel College recognizes the intellectual property rights of the faculty member (who partners with the College in development of Courseware content) as the owner of materials incorporated into or augmenting the approved College Courseware shell (see definitions). These incorporated materials are defined as, but are not limited to, lecture notes, examinations and quizzes, handouts, presentations, and the like. Developing Courseware requires the contribution of extraordinary College resources, including, but not limited to, technical support staff, computer programmers, legal and business counsel, computer hardware and software, and Internet access. Whereas the College provides such resources to Authors of Courseware shells, authors shall assign their rights in/for such Courseware shells to the College in exchange for the compensation described below. This compensation is deemed for development, not delivery of the Courseware shell materials. Compensation for the development applies to the original author of the Courseware, and not to the subsequent instructors who make use of the Courseware shell. Instructors who teach the course are expected to augment the course as appropriate, but this action does not constitute development as defined above, and incurs no further compensation for development. Faculty teaching on-line courses will be compensated at the rate established by the College for instruction. In exchange for the compensation relative to the development of Courseware shells, the author understands that Emmanuel College exclusively owns all right, title, and interest in and to the Courseware shell materials for any and all purposes, including, but not limited to, the right to update, alter, and revise the original work for educational and other purposes, the right to assign others to teach using the Courseware shell, and all other such rights as provided by U.S. Copyright law. Such title is necessary to guarantee the College’s right to control the method and manner in which its educational programs and courses are offered to the public and to secure new revenues from which to replenish and enhance College technology resources. Nevertheless, Authors retain the copyright to their texts and other original works of authorship (including items addressed in Ownership of Copyrighted Works, paragraph 2) incorporated into Courseware, but grants the College and its affiliates, agents, and other designees a non-exclusive, Royalty-free, worldwide perpetual license to use, display, copy, and distribute such works, prepare derivative works based upon such works, and practice all other such rights provided under U.S. Copyright law.
Whenever deans, directors, or administrators commission new works, copyright issues shall be clarified and fixed in a written agreement prior to the start of the project, according to the guidelines of this policy. Additionally, all third parties shall be required to be provided with a copy of this Policy, and shall acknowledge, in writing, their agreement to be bound thereto. In the absence of such an agreement with respect to a commissioned work, the Emmanuel College Senior Management Team will determine application of this Policy thereto. In determining the ownership of any commissioned work not covered by a written agreement, the Emmanuel College Senior Management Team will consider: (a) at whose initiative the work was created, (b) control over the content and final approval, and (c) any funding or extraordinary resources provided by the College.

Authorship and Permissions

Collaborators on a single work are joint Authors, as that term is defined under U.S. Copyright law. Because joint ownership of Copyrights creates complex management problems, it is recommended that joint Authors have agreements that define the rights and duties among them prior to beginning work.

All copyrighted works owned by Emmanuel College shall prominently bear the legend “© 2__ Emmanuel College. All rights reserved.”

All individuals associated with the College are responsible for securing permissions or licenses from the owners of Copyrights before reproducing, distributing, displaying, or performing any works in which such individual does not own the Copyright, or creating derivative works based upon any such work. It should be assumed that all material displayed on the World Wide Web is copyrighted and not freely available for use unless permission is expressly granted by the owner of the Copyright in such material, or it is clearly in the public domain. Whether a particular use constitutes “fair use” under U.S. Copyright law can be difficult to ascertain. In any instance where permission or license for use of a Copyright is believed to not be required in reliance on the fair use doctrine, such determinations must be escalated for review by the Senior Management Team, Vice President for Finance, or their designees or legal counsel, prior to any such use. As such, no use of the subject Copyright shall be made until a formal written
determination of applicability of the fair use doctrine, according to this Policy, has been provided to the individual.

The College asserts exclusive ownership in its name, logos, trademarks, service marks, and all intellectual property owned by the College pursuant to this Policy or other written agreements. Emmanuel College restricts the unauthorized use of its name, logos, trademarks, service marks, and other intellectual properties, over which it asserts ownership. The use of the College’s logos, trademarks, service marks, and other College-owned intellectual properties requires specific prior written permission of the College. Requests for permission should be directed to the Office of the Vice President for Finance.

**Disclosure, Licensing and Commercialization**

The College’s attorney shall draft standard agreements consistent with this Policy for the College to enter into with faculty members and others in order to clarify ownership of Copyrights and the allocation of rights associated with specific projects. Such agreements shall set out a framework for unbundling rights associated with new works in order to make them most appropriately available for teaching, learning, and research. Such agreement will be ratified by the Emmanuel College Senior Management Team.

Agreements that grant to third parties the rights to commercially develop Software, Courseware, or any other copyrighted work owned by the College are encouraged. The College’s attorney is responsible for negotiating such agreements in close coordination with Authors. The policies for disclosure and assessment of such works shall be the same as those described in Patentable Inventions, Disclosure, Assignment and Protection.

Licenses, sales, or other transfers of Copyrights owned by the College must be approved by the Senior Management Team on the advice of the College’s attorney.

Authors of works in which the College owns the Copyright, and in which the College has a duty of compensation to the Author pursuant to this Policy, shall, whenever practicable, be advised and consulted on the progress of license negotiations, but in no event shall they have a right of approval to the legal or payment terms of any agreement. The College shall not have a duty to such an Author to secure a minimum Royalty.
Use of Copyrighted Materials

Emmanuel College strictly forbids employees, students and faculty members from using copyrighted materials and any other intellectual properties without permission from the copyright holder.

Emmanuel College strictly forbids employees, students and faculty members from using copyrighted materials and other intellectual properties beyond the license granted at purchase.

Tangible Research Property

The College owns all Tangible Research Property (TRP), which may include, subject to the ongoing review and approval of the Senior Management Team, Data as defined above. If the TRP arises as a result of a grant, contract, or SRA which has been negotiated and approved by the College, rights in the TRP will be subject to the terms and conditions of such agreement.

Principal investigators and laboratory directors are primarily responsible for the custody, care, and control of TRP, including its storage, use, and distribution.

Principal investigators are encouraged to make TRP broadly available for the scientific use of other academic non-profit researchers. As a rule, scientific exchanges should not be inhibited due to potential commercial considerations. The Senior Management Team shall be contacted for instructions prior to distribution of any TRP that is the subject of, or related to Inventions that have been or will be disclosed under this Policy.

Patentable Inventions

Ownership of Inventions

Inventions may arise directly related to an individual’s employment or as a consequence of the individual’s using College resources. In such cases:
Any Inventions arising from activities directly related to an individual’s employment responsibilities with the College, using College resources, and any Patents or applications therefor, are owned by and must be and are assigned to the College.

For any invention arising not directly related to an individual’s employment, but with use of College resources, ownership will be negotiated on a case-by-case basis, and subject to the final written approval by the Senior Management Team. Permission for the use of College resources in the invention process must be obtained from the Senior Management Team in advance of any purchase(s) or use. Should the use of College resources be determined to be incidental, sole ownership may be assigned to the Inventor at the discretion of the Senior Management Team.

An Invention arising from but not directly related to an individual’s employment responsibilities and developed on his or her own time and without College resources may be owned by the Inventor, subject to and at the discretion of the Senior Management Team.

Inventions may arise in the course of, or result from, work supported by a grant or contract with a governmental entity, or an SRA with a non-profit or for-profit non-governmental entity. Such Inventions will subject to the terms of the grant, contract, or SRA, and will be owned by and must be assigned to the College unless otherwise specifically required by the terms of the grant, contract, or SRA.

**Disclosure, Assignment, and Protection**

All persons subject to this policy shall promptly disclose their Inventions that are governed by the article above Ownership of Inventions, using the prescribed Invention Disclosure form, which must be signed by each of the Inventors and submitted to the Vice President for Finance or Senior Management Team. Each Inventor must at the same time submit to the Vice President for Finance or Senior Management Team a signed Intellectual Property Agreement. Additionally, disclosure of inventions described by the article Ownership of Inventions, is required for determination of rights in accordance therewith. A failure to disclose the Invention(s) in accordance herewith, and/or the filing for and/or receipt of patent protection for any Invention(s), whether made prior to or during the effective enforcement of this Policy, shall immediately result in assignment of all right, title, and interest in and to the Invention(s), and all applicable patents or patent applications, to the College, pending the
Senior Management Team’s issuance of a written determination of respective ownership rights in said Invention(s). To protect and preserve the Intellectual Property rights defined in this policy and to comply with applicable federal regulations, Inventors shall execute assignments and other appropriate documents as may be requested by the Senior Management Team or its designees to perfect, evidence, or enforce the College’s ownership and rights to Inventions.

The Vice President for Finance shall, with the assistance of the Senior Management Team, review all Invention Disclosures, evaluate patentability and potential commercial value, and provide an interim report to the Inventor within 45 days after receipt of completed and fully signed Invention Disclosure Forms.

The Emmanuel College Senior Management Team shall make a determination whether the College should seek patent protection for an Invention within 3 months of formal submission of an invention disclosure document or draft patent application to the Vice President for Finance, Senior Management Team, or their designees. That determination will depend upon the availability of funds and an assessment of the Invention’s commercial value, and at the request of the Inventor. When the decision not to seek patent protection is based solely upon lack of funds, the Vice President for Finance may commit College funds that are under his/her discretionary control to patent an Invention. In the event such an Invention is licensed, the Vice President for Finance may recover out of gross Royalties costs incurred in connection with seeking patent protection and development costs associated with the College’s participation in inventions development.

Nothing in these polices creates an obligation in the College to seek patent protection for Inventions. Should the College determine to refrain from seeking patent protection for an invention, the invention is released to the Inventor(s). Any grant of release to the Inventor(s) will be subject to any restrictions that may be imposed by a grant, contract or SRA, or applicable law. The College expressly reserves the right to refuse to release any invention that it deems to conflict with or compromise the College mission. In such cases where a violation or compromise of the College mission is claimed, the College shall provide the inventor(s) a written explanation of the conflict or compromise within 7 days. In cases where a violation or compromise of the
College mission is claimed, the inventor(s) can appeal the decision to the Vice President for Academics and the Emmanuel College Senior Management Team (see dispute resolution), but there shall be no appeal beyond the College to a mediator or arbitrator. The College shall release an invention in this situation if the Inventor(s) resign their position and choose to pursue the invention separate from the College.

Faculty, students, and employees are strongly encouraged to publish the results of research. However, any public disclosure of an Invention, such as a presentation, publication, or grant proposal, prior to filing a Patent application, may limit or jeopardize Patent rights and may reduce an Invention’s commercial value. Therefore, faculty, students, and employees are required to disclose their Inventions as early as possible and prior to submitting any manuscripts, abstracts, or grant proposals or applications or making any other public disclosure.

In some instances, the terms of a grant, contract or SRA may require the College to maintain confidentiality of results or TRP for a period of time pending the filing of patent applications. In order to comply with such requirements, Inventors shall take reasonable precautions to assure the confidentiality and physical security of confidential information, including formulas, methods, processes, patterns, computer code, devices, compositions of matter, and Tangible Research Property. In such cases, faculty and employees shall endeavor to provide students the reasonable opportunity to publish and otherwise participate in the research efforts, subject to the prior written approval and sole discretion of the Senior Management Team, and further subject to the terms and conditions of any applicable grant, contract or SRA. Submission of abstracts, papers, or theses involving students should not be delayed more than 30 days except with prior written approval from the Senior Management Team, and subject to the terms and conditions of any applicable grant, contract, or SRA.

**Licensing and Other Disposition of Intellectual Property Rights**

The College, at its discretion, may seek to license or otherwise transfer rights in Intellectual Property to other entities, usually for-profit companies. The Senior Management Team will have primary responsibility and discretion for licensing activities. Each license negotiation is unique. The College will not be obligated to any Author or Inventor to negotiate for or secure Royalties,
in any amount; however, Inventors or Authors will be party to all licensing negotiations, in accordance with the stipulations outlined in any contractual agreement between the College and the inventor.

**Duty of Disclosure under Federal Grants**

The federal government retains Intellectual Property rights for Inventions created, conceived, or first reduced to practice, in whole or in part, with federal funds. Under federal regulations, 37 C.F.R., 401, et seq., the College must report all such Inventions to the federal funding agency and may elect to retain title to and file for a Patent within a prescribed period of time, i.e., one year prior to any statutory bar date. If the College elects not to retain title to or file for a Patent, it must so inform the agency, which then has the right to take title to the Invention. Invention disclosure forms will be submitted to the government if the disclosed Invention was made using federal funds. Authors and Inventors whose inventive work has been conducted under federal grants should be aware that the federal government retains a perpetual, non-exclusive license to all research results. Authors and Inventors may request a copy of applicable statutes or other codifications of this right from the Senior Management Team.

**Sponsored Research Agreements**

The Sponsored Research Agreement (SRA) is the primary funding instrument used by the College to contract with companies and other non-grant-making entities that wish to sponsor faculty research, clinical or training projects (“Sponsors”). An SRA must be used with respect to sponsored research in any instance when College personnel conduct any activity using College resources in exchange for payment or other benefit from an external entity. Every SRA must name a Principal Investigator who will be primarily responsible for the conduct of the research program under the SRA. The Principal Investigator will be responsible for developing the research program and for providing the research budget and will be named by and responsible to the Vice President for Finance.
To retain maximum flexibility and effectuate the goals of this Policy, the Senior Management Team will negotiate each SRA individually in cooperation with the Vice President for Finance and the College’s attorney. The terms of such agreements will vary, depending upon the type of the work and the interests of the Sponsor, Principal Investigator, and the College. Standard terms for such agreements will be developed in cooperation with the Vice President for Finance and the College’s attorney. Only the Senior Management Team, Vice President for Finance, and/or their designees have the authority to negotiate and sign SRAs; faculty members, employees, and students do not have the authority to sign SRAs or to otherwise bind the College in any dealings with Sponsors or other external entities.

An SRA and an Intellectual Property license may be negotiated simultaneously. Each such negotiation is unique. The College will not be obligated to any Author or Inventor to negotiate for or secure Royalties, in any amount, nor will any Author or Inventor be entitled to receive any portion of sponsored research funds. The College has sole discretion in determining whether the College’s interests will be best served by accepting either Royalties or sponsored research funds or both. Whenever practicable, Inventors and Authors will be advised and consulted in the progress of negotiations, but in no event will they have any standing in any negotiations, or any right to approve or reject the terms of any license or sponsored research agreement.

**Distribution of Copyright and Patent Commercialization Income**

**Financial Responsibility and Costs**

The College assumes financial responsibility for Intellectual Property to which it takes ownership. This responsibility may include, for example, the costs of assessing patentability, filing and maintaining Patents, registering Copyrights, marketing and licensing Inventions, Courseware, and copyrighted works. The College is not obligated to protect or commercialize any particular Invention or copyrighted work, except as may be required by a grant, contract or SRA. Activities related to the protection and marketing of College Intellectual Properties are intended to be self-supporting. Thus, the Vice President for Finance is charged with the responsibility of using the College’s resources carefully, with a view to promoting the interests of the institution as a whole.
Income earned from the sale, licensing, or other transfer of Intellectual Property of the College will belong to and be received solely by the College and will, except where a grant, contract, or SRA specifies otherwise, be distributed successively as follows: 1) Reimbursement to the College for all direct expenses related to development costs, prosecuting and maintaining Intellectual Property protection, and marketing and securing licenses, such as fees for outside legal counsel and other experts, if required; 2) reimbursement to the inventor(s) of any costs related to the research, development, and production of the invention, if required; 3) and of the remainder, 50% to the Inventor(s) or Author(s), 45% to the College, or its affiliates, agents, or designees, and 5% to the Inventor’s or Author’s specific department, college, school or program of the College.

Where there is more than one Inventor or Author, distribution shall be prorated according to the contribution of each as may be agreed in writing between the parties, with a copy of said writing provided to the Senior Management Team. If an agreement cannot be reached, then the matter will be resolved in accordance with section on Dispute Resolution.

Royalties are payable to Authors only upon actual receipt by the College. In the case of the death of an Inventor or Author, all Royalty distributions which would have been due such person shall be paid to his or her estate.

**Waiver of College Rights**

**Time for Review**

Inventors and Authors shall receive the written decision of the College’s intention to pursue or release rights to ownership within 45 days of the date of formal submission to the Vice President for Finance. Requests for decisions made by Inventors and Authors must be made in writing and sent by registered mail to Emmanuel College Vice President for Finance.

If the College decides to pursue rights to ownership within the 45 days, the College shall investigate the possibility of financial support for the patenting process. A final decision on funding will be given within 90 days of the date the invention disclosure form was submitted. If, at the expiration of 90 days, the College has not secured patent application funding, ownership of
the invention will revert to the Inventor(s); however, the College shall upon request receive an additional 45 days from the Inventor(s) to obtain patent application funding.

In order to ensure that valuable patent rights are not lost during the review period by the College, the Inventor will be given the opportunity and may choose, at his/her own expense, to pay for the costs of filing a provisional patent application or non-provisional patent application. A provisional patent application can be prepared by the Inventor(s). A non-provisional patent application will be made using an attorney who specializes in patent law and patent preparation. If the College thereafter determines to proceed with seeking patent protection, it will reimburse the Inventor(s) for all payments made. If the College determines not to proceed with the Invention, the College will release the Invention to the Inventor(s) as described below.

**Release of Invention to Inventor(s)**

The College may determine that an Invention will not be patented, and will not be licensed or otherwise commercialized by the College. In those cases, the Senior Management Team will cause ownership rights to be waived by the College except in cases where a conflict with the College mission is claimed.

**Policy Administration**

**Emmanuel College Senior Management Team**

The Emmanuel College Senior Management Team acts as the final authority in intellectual property matters, advising the Vice President for Finance. The majority of Senior Management Team members voting on any issue shall be sufficient for voting with regard to any intellectual property matter, and such vote shall constitute a quorum vote.

In addition to duties described elsewhere in this Policy, the Senior Management Team shall advise the Vice President for Finance by a) interpreting the terms of this Policy, and b) recommending changes or exceptions to this Policy.
Dispute Resolution

The Author(s) or Inventor(s) shall first request to resolve any dispute with the College. The first appeal must be made to the Vice President for Academic Affairs. The Vice President for Finance shall attempt to resolve any claim, dispute, or controversy involving the rights to Inventions or copyrighted works within 2 weeks of the date of appeal by the Inventor(s). Upon the failure of the involved parties to reach a negotiated agreement, the Vice President for Finance shall refer the matter to the Emmanuel College Senior Management Team. The Emmanuel College Senior Management Team shall review all documents and records and hear testimony from all interested parties and attempt to resolve any claim within 4 weeks of the original date of appeal of the Inventor(s) to the VP for Academic Affairs. Upon the failure of the involved parties to reach a negotiated agreement, the matter will be referred for mediation. The choice of a neutral mediator is to be agreed upon by both parties. Mediation shall begin no later than eight weeks from the original date of the appeal of the Inventor(s) to the Vice President for Finance.

Student Research and Scholarship

College students are subject to this Policy when they participate in faculty research programs. A student is an employee within the meaning of this policy. Intellectual Property created by a student during such employment or course of study shall be owned by the entity so designated in the SRA, or if no entity is so designated, by the College. Thus, in circumstances where a student originates Intellectual Property independently, using resources generally available to students, and without faculty supervision, such Intellectual Property is owned by the student, subject to third party rights, and further subject to the discretion and approval of the Senior Management Team.

Student Research in the Sciences

In the disciplines of Chemistry, Biology, Physics, Mathematics, Computer Science, and Health Sciences, the model for faculty direction of undergraduate student research is that of master/apprentice. In this setting, all Inventions, Courseware, and copyrightable works by students originate primarily from faculty direction of the master/apprentice relationship and are owned by the College under the terms described above.
Faculty who supervise undergraduate student research have custody and control over all Tangible Research Property (TRP) (See Tangible Research Property), subject to the terms of any grant or SRA. Student researchers have the right to access and use TRP, and it is appropriate for them to have copies in so far as is practicable.

Subject to the Senior Management Team’s prior review and written approval, and further subject to the section Disclosure, Assignment and Protection, paragraph 6 hereinabove, the faculty advisor decides all matters concerning the publication of research results. Such decisions include the timing and choice of manuscript submissions and all issues pertaining to co-authorship and inventorship.

Graduate student Authors own the Copyrights in their theses, essays, or dissertations, subject to the rights of any coauthors. Student Copyrights may be limited, however, when student manuscripts are based upon research conducted under an SRA or when manuscripts are accepted for publication. In those cases, the students’ rights will be subject to the rights of the sponsor, which may include prior review of publications, delay of publication for patent filing, excise of proprietary information or Trade Secrets, or other restrictions. Faculty have the obligation to ensure that students involved in sponsored research are aware of and understand the terms of any SRA.

Students are required to maintain the confidentiality of proprietary information and Trade Secrets belonging to research sponsors and faculty. The College may require students to sign and agree to be bound by confidentiality agreements, reasonable in their scope, when such an agreement is required by a research sponsor or otherwise required by the Vice President for Finance to protect patentability. Such confidentiality extends not only to the research and TRP, but also to information received from Sponsors.

A student working under an grant, contract, or SRA who violates this Policy becomes subject to appropriate academic discipline, including termination from his or her academic program, for the unauthorized oral, written, or electronic release of TRP to a third person not a party to the grant, contract, or SRA. Additionally, should legal proceedings be instituted against the student by any party to the grant, contract, or SRA, the student shall bear his/her own legal costs and expenses,
including attorneys’ fees, and shall further indemnify and hold harmless the College pursuant to the section Warranty and Indemnification herein below.

**Research and Scholarship in the Humanities**

In the departments of the humanities, the model for faculty direction of students is that of critic or reviewer of independent scholarship. Thus, independent student scholars own the Copyrights, without limitation or license, to their written theses, essays, dissertations, or other copyrighted works and TRP, subject to third party rights, and further subject to the discretion and approval of the Senior Management Team. However, graduate students who assist faculty advisors by performing specific research tasks or functions or who become a scholarly collaborator of a faculty member are not independent scholars. In such a situation, rights to Intellectual Property are those described in the section Student Research in the Sciences above.

**Research and Scholarship in Business and the Social Sciences**

In the College of Education, and the Departments of Business, Communication, and Behavioral and Social Sciences, the model for faculty direction of students may be either that of master/apprentice or reviewer/critic of independent scholarship. Students should clarify their relationships with faculty advisors and note the above policies applicable to each model before undertaking a project. In the absence of a mutual understanding between faculty and student, the relationship will be determined by the Dean of the appropriate College and the Senior Management Team.

**Modification and Appeal**

Faculty and students may mutually agree to work differently than described, provided that the disposition and use of Intellectual Property and TRP comply with this Policy. Such agreements must be reduced to writing, signed by the parties, and subject to the final written approval by the Senior Management Team or its designee(s) prior to commencement of the student-faculty relationship, and may further be overseen by the graduate program director. Students who believe that they may have been treated unfairly by faculty under this Policy should report such concerns to the Vice President for Finance for resolution as otherwise provided under this Policy.
Warranty and Indemnification

All faculty, students, and employees warrant that they will abide by all duties, obligations, terms, and conditions of this Policy and that they will indemnify, defend, and save harmless the College and any of its affiliates, agents, and designees from and against all damages, costs, and attorney fees, without limitation, resulting from any and all claims, demands, actions, suits, or prosecutions (including, without limitation, patent, trademark, or copyright infringement claims or actions) arising from the faculty member’s, student’s, or employee’s violation of any such duty, obligation, term, or condition of the Policy. Gross violations of the Policy may further result in suspension, termination of employment, or other disciplinary action, where applicable, of the offending faculty member, student, or employee.

General Provisions

The terms and conditions of this Policy may be modified in writing only and at the exclusive and sole discretion of the Senior Management Team or its designees.

This Policy shall be governed and construed in accordance with the laws of the State of Georgia and the United States of America, and any action seeking to enforce the terms and conditions of this Policy or any claim for damages arising from a violation of this Policy shall be filed in a court of competent jurisdiction in the United States only. If legal proceedings of any nature are invoked to enforce the terms and conditions of this Policy or to impose a claim of damages, the prevailing party shall be entitled to recover its reasonable attorney’s fees and costs. All faculty, students, and employees agree that jurisdiction and venue are vested solely in the Superior Courts of Franklin County, Georgia, and thus waive any other jurisdiction and venue to which they may have otherwise been entitled, including by citizenship or domicile.
