Roberson Hall Fact Sheet

**General Information:**
Roberson is built in a suite style. Each suite has four bedrooms (two singles and two doubles), a common living room, and a kitchenette. Each bedroom has its own bathroom attached. There are two towers, East and West, that contain three floors with four suites on each floor. The East tower currently is all male while the West tower is currently all female. The West tower also houses the Resident Area Director apartment and office in suite 104. The two towers are joined in the middle by a large lobby where students are able to gather to study, watch television, workout, or hang out by the coffee bar. Overall, Roberson houses 137 students.
