

Chemistry Faculty (Full-time)

The Natural Science Department of Emmanuel College invites applications for a full-time Chemistry faculty position beginning Fall semester 2021. Candidates should expect to teach Introductory Chemistry with labs and Organic Chemistry with labs.

Emmanuel College is a coeducational liberal arts college of 800+ undergraduate students nestled in the hills of northeast Georgia. The candidate will be required to demonstrate an ability to effectively teach undergraduate students and must be a committed Christian who can identify and adhere to the mission of the institution.

Faculty Qualifications: A Ph.D. in the field is preferred; a minimum of a Master's degree appropriate with a minimum of 18 graduate hours in the field of study is required. See other application requirements below.

Salary & Benefits: Salary is commensurate with degree and experience. Benefits include, but are not limited to, health insurance coverage beginning the first of the month following your hire date, retirement plan options, paid holidays, paid sick leave, and tuition reduction for immediate family.

Filing an application: Please forward the following (electronic submissions preferred) directly to the contact person listed below.

- **Cover Letter**
- **Curriculum vitae/Resume**
- **Unofficial transcripts from all graduate schools attended** (scans of "student issued" copies are acceptable for the application phase)
- **Personal Testimony:** An explanation of the applicant's relationship with God through the Lord Jesus Christ, including a brief account of accepting Christ as personal savior, church membership, and current church involvements.
- **Pastoral Letter of Recommendation:** Needs to be from a current pastor and to include a verification of current church attendance and/or membership, a description of the applicant's activity in the local congregation, and an evaluation of the quality of the candidates' personal commitment to Christ. (Upon request, this may be supplied later in the application process.)
