

Drum Hall

Style of residence hall: Community Hall Style

Bathroom: Each hall has a community bathroom/shower area with 6 stalls, 4 sinks, and 4 covered showers.

Potential total # of students in the dorm: Maximum of 72 beds.

Potential total # of students on each hall: The average number of students on each hall is 23.

Residence hall room dimensions: 14' x 11' (certain rooms may vary slightly).

Bed dimensions: Each bed fits a standard twin mattress. Twin XL beds may be available to students taller than 6'2" upon request (depending on inventory availability).

Amenities/furniture included:

In all rooms, each resident receives a twin-size bed, desk and chair, and large wardrobe/dresser set for personal use. Central laundry area is located on the first floor of the dorm; washers and dryers are quarter operated.

Heating & air: Each dorm room contains its own window unit that can be controlled from the dorm room to the students' liking.

Drum's stand-out features:

Drum Hall's distinctive community style set-up lends itself to close camaraderie and tight-knit friendships!

- The large main lobby is located at the center of the building on the first floor and is a primary location where many Drum Hall community-building events are hosted by RAs and other community members. There is a TV and ping pong table located in the main lobby for students' enjoyment. Bring your own paddles and balls to play!
- Unique only to Drum Hall are the mini-lobbies located on each floor. The mini lobbies contain furniture and chairs for different functions. 2nd & 3rd floor mini lobbies provide entertainment spaces (TV, couches, & chairs), 4th floor mini lobby serves as a study space for residents.
- Drum has a full community kitchen area where students can cook in an oven or on stovetop, buy snacks from third party vending machines, wash dishes, and make use of community refrigerator and freezer space.
