Hartsfield stand-out features:

- Hartsfield Hall contains two lobbies (one on each floor) that are primary locations where community-building events are hosted by RAs and other community members. There is a TV in each of the lobbies for students' enjoyment
- Hartsfield offers a more independent/private living environment due to its location away from the main part of campus.
- Hartsfield has a mini-kitchenette area (on both floors) where students where students can warm up/cook food in Melton's provided microwave, wash dishes, and make use of community refrigerator and freezer space
